

# BREATH FLOWS DEEP DESIGNS FROM WITHIN INTO LIFE'S EXPRESSIONS

You are consciousness collaborating in the heart of brilliance resonating multivalent use of earth's elements.

Become  
What Your Heart is Capable Of

Our choice to be in this life on a journey learning nature's shaping principals holds assurance of resilience in our personal stance, supports unfolding capacity in spatial awareness and wholeness in our understanding of how to resonate in harmony with nature.

Become the Journey...Creating Coherent Stance Deep In the Hearts Breath  
Be competency in discernment and fostering emergence.  
Reconnect living in eco-literacy and stewardship.

We Begin When You  
Declare Your Creative Space
