## PEAKY BLINDERS

*Take our Perfect Manhattan and add a cigar for pomp.*  
Seattle-made pipe tobacco that we blend in house takes our Perfect Manhattan to a new level. Find yourself a badass armchair – stat. **15**

## BRUCE SPRING-STING

*Laundry is drying in the breeze on a warm spring day. Fresh. Clean. Floral.*  
We muddle English cucumbers to enhance the botanical undertones in Hendricks gin, then add a splash of elderflower liqueur, citrus and a dash of Tabasco to keep things zesty. **13**

## BEET, PRAY, LOVE

We use European liqueurs, Aperol and Lillet Blanc shaken with a junipered gin, and a splash of our house made sweet and savory beet reduction. Served up. **11**

## DIRTY SHIRLEY

This drink perfectly balances the sweetness of our Luxardo Black Cherries with the right amount of citrus and bitters. Traditionally served with vodka, also pairs well with gin. Ask your bartender what her favorite drink is? It's this one. **12**

## NORTHWEST PAINKILLER

*Want to escape?*  
Inspired by a classic Caribbean cocktail, citrusy and sweet with undertones of coconut, passionfruit, pineapple, and orange. If our Zaya Rum doesn't already help you feel like you're at the beach, the velvet falernum float will bring you directly to paradise. Served in a Tiki Glass. **14**

## MARGO'S RITA

*Known as the perfect child of the Margarita Family.*  
Fresh cilantro, jalapeño, and plenty of fresh citrus, topped with a dash of pineapple, and finished with a house made cilantro herb salt rim. **13**

## THE RED HEAD

A drink as delicious as its presentation, this sparkly, citrus, botanical cocktail, is lightly sweetened with elderflower and finished with an edible hibiscus. Try this if you're feeling bold and beautiful. **11**
