PIGSKIN CARPET CARE

PAGE 1

CARPET EXTRACTION CLEANER

A specially formulated high performance extraction cleaner incorporating Soil Guard™ 2000 that meets the highest standards in carpet extraction maintenance. Approximately 80% of all soils and greasy substances is caused by foot traffic and over half is of a greasy nature. Safe on all carpet fibers including wool. Does not contain any optical brighteners. The new Soil Guard™ 2000 cleaning technology incorporates DuPont Zonyl® Soil and Stain Protector to deliver an extraction cleaner that cleans the carpet fibers more thoroughly than any product on the market today. This product is most effective on carpets that have been previously treated with a mill-applied fluorochemical stain-resistant treatment.

PRODUCT CODE: MP-38 (4 GAL/CS)

TRAFFIC & BONNET CLEANER

This product is specially formulated with Soil Guard™ 2000, for bonnet buffing as an interim system that is fast, uses low moisture, and dries quickly to maintain a high quality appearance level. An excellent prespray on high traffic lanes of carpet prior to extraction cleaning. The built-in emulsifier dissolves the stubborn greasy soil for deep cleaning, and more importantly, reduces the resoiling rate of the carpet. Does not contain any optical brighteners. The new Soil Guard™ 2000 cleaning technology incorporates DuPont Zonyl® Soil and Stain Protector to deliver a Traffic & Bonnet Cleaner that cleans carpets faster and more efficiently than any product on the market today. This product is most effective on carpets that have been previously treated with a mill-applied fluorochemical stain-resistant treatment.

PRODUCT CODE: MP-41 (4 GAL/CS)

CARPET RINSE & NEUTRALIZER

A specially formulated with Soil Guard™ 2000, used to rinse the carpet after extraction cleaning, shampooing, or bonnet buffing. This necessary step will remove any residual remaining in the carpet fibers and will further rinse on the acid side to prevent the carpet from oxidizing (turning brown), leaving a pleasant scent. Excellent for coffee, tea, and light rust stains. Safe on all carpet fibers including wool. Does not contain any optical brighteners. The new Soil Guard™ 2000 cleaning technology incorporates DuPont Zonyl® Soil and Stain Protector to deliver a product that neutralizes harsh alkali residues from previous cleanings, removes detergent residues from the fibers and gives the dry carpet a fresh clean feel.

PRODUCT CODE: MP-43 (4 GAL/CS)

TRIPLE ACTION

A ready-to-use, multi-enzyme carpet TRIPLE ACTION spotter, deodorizer and protectant is designed to remove the stains and odors caused by spills such as urine, vomit, food, feces, pet stains, milk, wine and coffee stains. Utilizing broad-spectrum odor counteractant that chemically neutralized the malodor, and bacteria strains to eliminate the old stains. It is a complete solution for carpet spotting. Can be used as a carpet spots remover, deodorizer as well as pre-treatment. Use on all type of soils and stains. Contains Soil Guard 2000 technology that locks out soil.

PRODUCT CODE: MP-44 (12 QTS/CS)

WOLVERINE

HIGH SOLIDS/HIGH PERFORMANCE EXTENDED WEAR FINISH

Finally, a finish that wears as well as it looks. Provides diamond like clarity and brilliant gloss, along with extended wear properties never before available in one product. Will respond beautifully to conventional, high or ultra-high speed floor equipment after weeks of wear and traffic when used with a spray buff or mop-on restorer. Saves enormous amounts of time and labor by requiring less maintenance.

PRODUCT CODE: MP-55 (5 GALLON PAIL)

OVERTIME

HIGH PROFILE FLOOR FINISH

A next generation floor finish designed specifically for the professional that requires unsurpassed "WET LOOK" gloss with excellent durability and dirt release. This product is ideally suited for use in supermarkets, schools, hospitals and offices where there is a demand for toughness and durability. New chemistry allows the finish to dry absolutely crystal clear, allowing the beauty of the underlying floor to shine through. Simple to apply and maintain. Response is unsurpassed with any type of UHS equipment-propane, battery, or cord electric.

PRODUCT CODE: MP-45 (5 GALLON PAIL)

SCORE

HIGH SOLIDS ULTRA-COMPATABLE FLOOR FINISH

A new generation floor finish formulated with a patented polymer technology that's designed to work with any maintenance method and any equipment on all types of floors due to its ultra-compatibility and flexibility. This high solids floor finish requires fewer coats and provides superior gloss, excellent durability and superior leveling. New chemistry allows the finish to form good film even in poor drying conditions. Response is unsurpassed with any type of UHS equipment-propane, battery, or cord electric.

PRODUCT CODE: MP-69 (5 GALLON PAIL)

FLOOR CARE Floor Strippers

PAGE 3

SHOW OFF

HEAVY DUTY NO RINSE SPEED STRIPPER

The most effective floor finish emulsifier ever developed. Will solubilize aged and built-up finishes almost instantly. May be used as a no-scrub stripper or with a conventional floor machine and pad depending on the concentration of the product and the condition of the floor.

PRODUCT CODE: MP-04 (5 GALLON PAIL)

TOP DOG

NON-AMMONIATED STRIPPER

A heavy duty, non-ammoniated stripper that quickly unlocks all water-based waxes, finishes, and sealers. It is highly concentrated and very effective. Contains no harsh solvents or abrasives.

PRODUCT CODE: MP-47 (5 GALLON PAIL)

HOT SHOT

HIGH PRODUCTIVITY STRIPPER

A new generation floor finish stripper that rapidly penetrates and solubilizes floor finish. Powerful solvents combined with penetrating amines dissolve the finish on contact, reducing the waiting periods for removal of the finish. This product completely evaporates from the surface. Can be used with or without a floor machine.

PRODUCT CODE: MP-66 (5 GALLON PAIL)

To Place Your Order:

Office: 202-373-0638 Fax: 202-373-0639 Toll Free: 866-274-3780

FLOOR CLEANER / MAINTAINER

PAGE 4

UMPIRE

NEUTRAL FLOOR CLEANER

A totally synthetic neutral cleaner designed for use in a modern floor maintenance program. It's neutral pH will not damage the gloss or film of any finish after using. Contains optical brighteners to restore the finish to its original beauty. Controlled foam makes this product ideal for use in automatic scrubbers. Will dissolve all ice melt and hard water films, and never leave the floor with a soap haze.

PRODUCT CODE: MP-09 (4 GAL/CS)

TACKLE

CLEANER/MAINTAINER

An all-purpose neutral cleaner/maintainer with superior cleaning power for use on any surface not effected by water. Ideal for use on sealed wood floors for cleaning and buffing finishes to a brilliant shine. Provides excellent emulsifying and penetrating action in both hot and cold water. Cleans, polishes, and preserves. Ideal for use with buffing programs. May be used for damp mopping, auto scrubbing or heavy duty cleaning.

PRODUCT CODE: MP-18 (4 GAL/CS)

FULLBACK

MOP TREATMENT

A high quality dust mop treatment which holds dust to the dust mops. Ideal for maintaining all types of flooring, including wood, vinyl, terrazzo, concrete synthetic sports floors and sealed or painted surfaces. Daily dust mopping with this product will increase the life and beauty of floors by reducing the abrasive effects of tracked in dirt. Ideal for removing black rubber heel marks.

PRODUCT CODE: MP-16 (4 GAL/CS)

FIRST STEP

ACRYLIC FLOOR SEALER

An all-acrylic floor sealer formulated to provide a hard, durable undercoat for use prior to the application of any floor polish. Never yellows and will continue to protect your floor after all floor finish or wax has worn off.

PRODUCT CODE: MP-64 (5 GALLON PAIL)

To Place Your Order:

Office: 202-373-0638 Fax: 202-373-0639 Toll Free: 866-274-3780

FLOOR CLEANER / MAINTAINER

PAGE 5

DAWN

NEUTRAL FLOOR CLEANER

A totally synthetic neutral cleaner designed for use in a modern floor maintenance program. It's neutral pH will not damage the gloss or film of any finish after using. Controlled foam makes this product ideal for use in automatic scrubbers. Will dissolve all ice melt and hard water films, and never leave the floor with a soapy haze.

PRODUCT CODE: MP-67 (4 GAL/CS)

BLITZ

ENZYME ENRICHED FLOOR CLEANER & DEODORIZER

Blitz is a high performance, bacterial-enriched floor cleaner, odor eliminator, and grease digester with a pleasant potpourri scent. It is recommended for use in food service areas, schools, hotels, hospitals, restrooms, and shower rooms. No rinse is required. The unique chemistry provides bleaching action that brightens surfaces as it cleans and leaves surfaces sparkling clean with a pleasant scent. It is ideal for cleaning concrete, ceramic tile, quarry tile, grout and brick and rubber mats with floor machine or mopping. Inherent biological action continues to clean between regularly scheduled cleanings to help keep grease accumulations to minimum.

Caution: Do not mix or use this product with acid, alkaline, or product containing bleach. For use on floor only. Do not use on food contact surfaces.

PRODUCT CODE: MP-74 (4 GAL/CS)

FLASHBACK

SPRAY BUFF

This product removes all black heel marks and dirt, replacing them with a brilliant shine that will actually upgrade the original gloss of the finish. Saves time and money because less frequent recoating is necessary, as well as extending time spans between stripping.

PRODUCT CODE: MP-07 (12 QTS/CS)

To Place Your Order:

Office: 202-373-0638 Fax: 202-373-0639 Toll Free: 866-274-3780

RESTROOM CARE

PAGE 6

SAFETY

NON ACID DISINFECTANT RESTROOM CLEANER

A ready to use non-acid bathroom cleaner that cleans, deodorizes, and disinfects in one easy step. Ideal for floors, walls, countertops, toilets, urinals, fixtures, or whatever cleanliness and germ and odor control are important. This unique product is pseudomonacidal, salmonellacidal, fungicidal, and virucidal. Effective against HIV 1 (AIDS Virus).

PRODUCT CODE: MP-32 (12 QTS/CS)

RED DOG

LIQUID ENZYMES

This powerful product is the first of its kind to combine the rapid waste digesting abilities of bacteria with the activity of free enzymes. When added to organic waste, the enzymes immediately begin to breakup complex organic waste molecules while eliminating odors. May be used with modern metering equipment to truly automate your routine maintenance programs. Contains a high concentration of free enzymes, including protease, amylase, lipase, and cellulase. Safe to use, contain no harsh acids or caustics, will not harm fixtures or plumbing.

PRODUCT CODE: MP-01 (4 GAL/CS)

LINE BACKER

NON ACID DRAIN OPENER

A non-acid drain opener that is non-fuming and safe for use on all plumbing fixtures, septic tanks, garbage disposals, and porcelain. Pour through standing water, so clogged drains do not have to be emptied first. Will dissolve starches, fats, oils, greases, hair, vegetable gums and other organic wastes.

PRODUCT CODE: MP-02 (12 QTS/CS)

Office: 202-373-0638 Fax: 202-373-0639 Toll Free: 866-274-3780

SUPER DAVE CLEANER

MILD ACID RESTROOM CLEANER

A ready to use, heavy-duty multi-purpose restroom cleaner designed for cleaning restrooms, showers tubs & tiles. It removes soap scum, mineral deposits, mildew stains and light rust. It leaves cleaned surfaces sparkling clean. Thick clinging foam cleans many hard surfaces, including fiberglass, porcelain, stainless steel, chrome, melamine, ceramic, and quarry tiles. Not for use on marble, polished aluminum surfaces, granite, terrazzo, natural stone, Formica. Always rinse off the chemical with water. Do not mix with bleach

PRODUCT CODE: MP-29 (12 QTS/CS)

ROUGH-IT

HIGH ACID EMULSION BOWL CLEANER

A high acid cleaner formulated to remove scale, rust and hard water deposits, from toilet bowls and urinals. Contains 23% inhibited hydrochloric acid and specially selected detergents to quickly and completely attack the most stubborn deposits. The special inhibitors protect plumbing, once soils are flushed away.

PRODUCT CODE: MP-49 (12 QTS/CS)

BULLY

CRÈME CLEANSER

A liquid crème cleanser designed to quickly and easily remove any embedded stains, rust grease, soap scum, mineral deposits, oxidation, and most any soil from a variety of surfaces. Brightens and polishes the surface, while leaving the surface clean and free of odors. Its thick and clinging formula is ideal for use on Formica, toilets, and urinals, porcelain, fiberglass, chrome, ceramic tiles, walls and floors, stainless steel, and pots and pans.

DISINFECTANTS / DEODORIZERS

PAGE 8

RIGHT GUARD

HEAVY DUTY CLEANER & DISINFECTANT

A very effective heavy duty cleaner and disinfectant that deodorizes, sanitizes, cleans and disinfects in one labor-saving step. Effective at 4-1/2 ounces per gallon as a broad spectrum disinfectant. Ideal for use in schools, industries, office buildings, institutions, hotels, etc.

PRODUCT CODE: MP-14 (4 GAL/CS)

LEFT GUARD

HEAVY DUTY CLEANER & DISINFECTANT

A very effective heavy duty cleaner and disinfectant that deodorizes, sanitizes, cleans and disinfects in one labor-saving step. Effective at 4-1/2 ounces per gallon as a broad spectrum disinfectant. Ideal for use in schools, industries, office buildings, institutions, hotels, etc.

PRODUCT CODE: MP-13 (4 GAL/CS)

MAD MAX

NEUTRAL DISINFECTANT & DETERGENT

A multi-purpose, neutral pH, germicidal detergent and deodorant effective in hard water up to 400 ppm (calculated as CaCO_3) in the presence of a moderate amount of soil (5% organic serum) according to AOAC Use-dilution Test. Disinfects, cleans and deodorizes in one labor-saving step.

PRODUCT CODE: MP-30 (4 GAL/CS)

VERY CHERRY

AIR FRESHENER/DEODORANT

A specially formulated concentrate of broad spectrum highly concentrated odor neutralizers that erase odors caused by smoke, animals, cooking, sickness, paints, etc. Designed to correct pollution odors caused by bacterial or chemical decomposition in any given area.

PRODUCT CODE: MP-05 (4 GAL/CS)

To Place Your Order:

Office: 202-373-0638 Fax: 202-373-0639 Toll Free: 866-274-3780

MULTI-PURPOSE CLEANERS / POLISHES

PAGE 9

WIPE OUT

WINDOW AND GLASS CLEANER

A blend of surfactants, sequestering agents, and solvent alcohol. Formulated to quickly penetrate dust, grease, soil and smoke on all windows and other glass surfaces. Leaves glass with absolutely no residues or streaks. Ideal for use on windows, doors, mirrors, display cases, countertops and windshields.

PRODUCT CODE: MP-12S (12 QTS/CS)

BC-41

EXTRA DUTY CLEANER DEGREASER

A high concentrated industrial strength extra duty cleaner and degreaser for the removal of heavy grease, oil, carbon, and other industrial soil from concrete, machinery, engines, floors, walls, etc. An extremely powerful cleaner that is non-toxic, non-flammable, and biodegradable.

PRODUCT CODE: MP-27 (5 GALLON PAIL)

DG-28

CITRUS SOLVENT

A high concentrated natural citrus solvent cleaner, degreaser, deodorant, de-scaler, and de-clogger. The most unique and versatile product ever developed. Contains no petroleum distillates or chlorinated solvents. 100% environmentally safe. May be safely used as directed on carpets, sinks, toilets, fiberglass, machinery, tools, grills, ceramic tiles, concrete, graffiti, dumpsters, grease traps, all metals, and much more.

PRODUCT CODE: MP-28 (5 GALLON PAIL)

MULTI-PURPOSE CLEANERS/POLISHES

PAGE 10

JONNIE SWIPE

ALL PURPOSE SPRAY CLEANER

A ready to use, fast-acting, heavy-duty cleaner formulated to clean all washable surfaces. The non-abrasive formula penetrates and removes the most stubborn stains and leaves surfaces sparkling clean and fresh.

PRODUCT CODE: MP-31

PREVENT

MULTI-SURFACE POLISH

A superior blend of silicones, detergents, and lemon oils designed to clean, polish and protect Formica, laminate, vinyl, plastic, leather, stainless steel and other metals. Quickly and easily removes old wax build-ups and fills in minor scratches and cracks. Rubs out easily to a clear, bright, durable shine. A non-greasy protective finish is left that resists finger prints, smudges and further soiling. All surfaces are left clean, shining, and fresh smelling.

PRODUCT CODE: MP-34

GRANDSTAND

R.T.U. CITRUS SPRAY CLEANER

A ready-to-use all natural 100% biodegradable citrus solvent cleaner, degreaser, and deodorant that will safely and easily remove all heavy grease and soil deposits by heavy duty penetration and emulsifying action. Contains no petroleum distillates or butyl cellosolve. Simply spray on and wipe off for fast labor-saving cleaning. Clean without choking or burning effect, even in areas with minimum ventilation.

TOTAL RELEASE INSECT FOGGER-12/CS

QC43808

Total Release is an EPA registered, USDA authorized, waterbase total release fogger. This product contains permethrin, pyrethrin and MGK 264. Its total release action provides trouble free one-step killing action. The fogging mist penetrates to all areas for thorough insecticidal action. Designed with a special lock down valve for total release of product. Formulated to kill cockroaches, crickets, ants, mosquitoes, flies, rice weevils, saw-tooth grain beetles, ticks, flies, and small flying moths. Areas of use include rooms, apartments, homes, attics, basements, campers, boats, garages, cabinets, storage and pet sleeping areas. One unit treats up to 9,000 cubic feet.

WASP & HORNET KILLER- 12/CS

QC43016

Wasp and Hornet Spray is an EPA registered, USDA authorized insecticide spray. Contains resmethrin which provides quick knock down in a synthetic pyrethroid. High delivery spout tip directs powerful spray to wasp nest from 12 to 14 feet away. For use outdoors or indoors in a well ventilated area. Spray directly on insects nests, contacting as many insects as possible. Useful to cable layers, power and utility companies, cleaning and maintenance services, tree service personnel, lawn maintenance services, airport terminals, and storage facility personnel.

FLYING INSECT KILLER - 12/CS

QC45120

An EPA registered, USDA authorized, waterbase aerosol flying and crawling insect killer. Contains resmethrin a synthetic pyrethroid for quick knockdown. The double action formula acts as a space spray to kill and control insects immediately. Also provides three to four week residual control of crawling Insects. Pleasant cherry fragrance eliminates insecticidal odor. Authorized for non-food areas, institutions, restaurants and food processing plants. Kills bees, yellow jackets, hornets, houseflies, mosquitoes, gnats, wasps, roaches, earwigs, grain mites, sowbugs, ants, biting flies, aphids, fleas, leafhoppers, adult white flies, plant bugs, Japanese beetles, spiders, centipedes, exposed thrips and spittlebugs.

VISION GLASS CLEANER-12/CS

QC21320

Vision is a USDA authorized heavy duty butyl foaming cleaner. Combines emulsifiers, surfactants and a butyl cleaner for superior action on most surfaces. High density clinging foam permits use on vertical and irregular Areas as well as horizontal surfaces. Great on metal, porcelain, tile, glass, wood, brick and grout. Gentle enough for everyday cleaning, yet tough on grease, dirt, stainless steel, soap scum, oil and bloodstains, lipstick, smoke film, coffee, cola and stains. Neutral fragrance.

OVEN & GRILL CLEANER - 12/CS

QC23520

Oven & Grill Cleaner is a USDA authorized water base cleaner using potassium hydroxide. Clinging gel adheres to all surfaces without running insuring complete penetration and cleaning. Removes even the most stubborn cooked on food, grease, oil or stains. Restores surfaces to original shine. Do not use on aluminum, copper, galvanized metals, plastics, composition tile or painted surfaces.

VANDALISM MARK REMOVER-12/CS

QC22120

A USDA authorized extra heavy duty cleaner which will remove all types of ink without damaging surfaces. Unique gel base stays in place to clean vertical and irregular shapes. Leaves pleasant lemon fragrance. Works great on wood, porcelain, concrete, steel, aluminum, brass, cement and tile. This versatile product removes lipstick, ink, paints, crayon, wax, pencil marks and scotch tape marks.

ALL PURPOSE CLEANER -12/CS

QC21120

A USDA authorized extra heavy duty butyl base foaming cleaner. Combines emulsifiers, surfactants and a butyl cleaner for superior action on most surfaces. High density clinging foam permits use on vertical and irregular areas as well as horizontal surfaces. Great on metal, porcelain, tile, glass, wood, brick and grout. Gentle enough for everyday cleaning, yet tough on grease, dirt, stainless steel, soap scum, oil and blood stains, lipstick, smoke film, coffee, cola and stains. Neutral fragrance.

PENETRATING LUBE-12/CS

QC55016

A USDA authorized lubricating product. Formulated to quickly penetrate rust, corrosion and moisture. Lubricates, cleans and contains rust preventative. Nonflammable and nonconductive to 30,000 volts. Four-way action cleans, lubricates, prevents rust and penetrates. Silicone free formula will not interfere with Subsequent painting. Meet MIL Spec C-2344. For use on motors, wire cable, rusted parts, ignition systems, machine parts, door hinges, locks, nuts and bolts, and refrigeration equipment. Areas of use include homes, hotels/motels, airplanes, cars and trucks, machine shops, oil rigs, manufacturing facilities, industrial plants, and factories.

DE-ICER SPRAY-12/CS

QC80016

De-Ice quickly melts ice, frost and snow from windshields, windows, steps, door locks, ignition locks and trunk locks. Helps prevent ice and frost formation on windows and windshields when sprayed prior to freeze. Will not harm paint, cloth, metal, rubber, glass, and plastic. No residue to impair visibility. For use on windows, windshields, steps, door locks, headlights, tires, and sidewalls. Areas of use include buses, cars, trucks, and heavy equipment.

DRY SILICONE SPRAY - 12/CS

QC53716

A USDA authorized product, specially formulated to give excellent lubrication, corrosion prevention and Cleaning of all metal parts. Quickly penetrates corrosion, rust and moisture to free and loosen stuck parts and provide lubrication. Formula is nonflammable and nonconductive to 29,000 volts. Cleans, lubricates, penetrates and prevents rust for true four-way action. Areas of use include industrial machinery, machine shops, homes, cars, trucks, oil rigs, machine parts, hotels and motels.

PAINT & VARNISH REMOVER-12/CS

QC55816

A USDA authorized gel base paint remover. Works hard to remove paint, decals, epoxy, lacquer, gaskets, glue, carbon deposits, and silicone from all surfaces. Washes off with water or solvent. Safe to use on metal, brick, ceramic, wood and tile surfaces. Clings to all vertical surfaces, allowing longer contact time. Areas of use Include auto dealers, paint shops, factories, schools, farms, oil rigs, bottling plants, limber mills, and cement plants.

BELT DRESSING-12/CS

QC55216

A USDA authorized resin based spray. Designed specifically to reduce slippage of all types of power belts whether round, flat or V. Compatible with fabric, leather or rubber belts. Also helps clean and prolong belt life. Areas of use include construction areas, industrial plants, factories, and homes.

CONTACT & CIRCUIT BOARD CLEANER-12/CS

QC51416

A highly effective blend of solvents that are fast drying, nonconductive and safe to use on plastics, rubber and metal. Quickly removes oil, grease, dirt and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays. Does not contain CFCs or HCFCs. Is extremely flammable and must only be used on de-energized equipment. It also must be allowed to dry and fumes evacuated from equipment before reenergizing. Can be used by offices, factories, machine shops, industrial plants, schools, and hospitals.

ACOUSTICAL TILE RESTORER-WHITE -12/CS

QC59116

A unique clay based restoring system for acoustic tiles. Permanently bonds to the surface being restored without compromising acoustical sound absorption or fire retardant value. Covers water stains, smoke and fire damage, graffiti, paint, ball point ink, permanent marker and rusting nail heads, avoiding the need for costly replacement. Leave a clean, white coating that adds years to tile life. Also works as a nonbleeding primer/sealer for sign painter, a nongrain raising primer for new wood, a base coat for wall paper or vinyl wall coverings and as a base coat for galvanized metal. One can covers 12 to 15 (2x4) tiles or 120 square feet. Areas of use include sign shops, fire and water damage restoration services, make-ready companies, office q maintenance personnel, metal workers, and woodworkers.

BRAKE & PARTS CLEANER - 12/CS

QC80720

Cleans and restores all metal brake parts and brake linings. Helps reduce glazing and gumming on brake pads and linings. Eliminates disc brake squealing. Cleans away brake fluid, grease, oil, asbestos dust, and dirt. Aids in meeting OSHA asbestos particulate standards. Designed for cleaning parts that are to be dipped on immersed. Evaporates quickly. Leaves no residue. Nonflammable. No ozone depleting chemicals. Works on assembled or disassembled brake equipment. For use in automobiles, trucks, buses, disc rotors, brake linings, fork lifts, motorcycles, brake parts, brake drums, brake pads, and other heavy equipment.

TOP SHINE LEMON FURNITURE POLISH -12/CS

QC21420

A USDA authorized concentrated carnauba, beeswax and silicone base cleaner and polish for all types of Furniture. Restores original luster while cleaning. Contains an emulsifier and silicone in a water base for effective cleaning and polishing. Quickly cleans dust, dirt, wax buildup, oil fingerprints, grease and smudges. Excellent for use on wood, plastic, vinyl, metal, ceramic and porcelain, formica, and leather. For use on appliances, filing cabinets, furniture, paneling, and woodwork trim.

GUM REMOVER -12/CS

QC22812

Offers an environmentally friendly alternative in gum and wax removal. A frosty blast of air in a can freezes gum and wax instantly, allowing it to be easily removed from many surfaces. Ideal for cooling circuit board components, soldering applications, and shrink-fitting small parts. Noncorrosive. Excellent for use in schools, homes and welding shops. Works great on furniture, carpet, circuit boards, sidewalks, pins, bushings and bearings for easy removal of gum and wax

ENDZONE STAINLESS STEEL CLEANER -12/CS

QC24920

An excellent nonabrasive cleaner formulated for hospitals, offices, hotels, restaurants, locker, and institutions. It cleans, brightens, polishes and protects stainless steel. Can be equally effective for use on aluminum, chrome, formica, porcelain and ceramic tile. Minimum effort is required to remove smudges, soil and stains quickly. Forms a shield that resists water marks and rusting. Use to clean fingerprints, smudges, grease and stains from stainless steel, formica, all metal surfaces, paneling, wood and plastics.

METERED DEODORIZERS (MULBERRY) -12/CS

QC39912

The metered air fresheners chemically neutralize unpleasant odors. Products can be used in conjunction with many automatic actuating aerosol dispensers that deliver fresh fragrance every 15 minutes. One can keep an area deodorized for up to 30 days. All active ingredients are released, making this the most effective technology for odor counteracting on the market today. The fine, dry mist is nonstaining. Fragrance stays suspended in air long after the odor has been destroyed, creating a pleasant atmosphere. Areas of use include homes, airports, office buildings, hospitals/nursing homes, veterinary clinics, doctors offices, shopping malls, eating establishments, beauty shops, boutiques, day spas, tanning salons, and sports clubs.

DRY DEODORIZERS (MULBERRY) – 12/CS

QC33620

Dry mist counteractants quickly freshen entire areas such as laundry hampers, garbage pails, auto interiors, office, gym lockers, sports shoes, closets and more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine that linger even after the source has been removed. The light formulation travels with air flow and destroys the odors where they hang. Special two way valve allows spraying both right side up or upside down. Nonstaining, leaves no wet fallout on floors or furniture.

JELLED DEODORIZERS (MULBERRY) – 12/CS

QC32020

These unique jelled deodorants are designed to be used anywhere offensive odors are a problem. The clinging gel allows product to be applied on horizontal, vertical and irregularly shaped surfaces. Its slow releasing formulation continuously provides fragrance for extended periods of time. Then, the gel will totally evaporate. Ideal for use on hard, nonporous surfaces. Meets all current, VOC standards. Spray on air conditioning filters, above doors, in trash receptacles, on walls, in port-a-toilets, above ceiling fans and behind toilets. Areas of use include homes, schools, offices, bathrooms, locker rooms, drains, automobiles, trash cans, kennels, basements and closets.

CSD SOLVENT DEGREASER – 12/CS

QC50616

CSD contains a natural orange oil solvent to quickly cut through grease, oil, tar, adhesives, gum, ink, decals, crayon, plastic-based glue, fingernail polish, wax, light carbon, etc. No chlorinated solvents, CFCs or other ozone depleting chemicals. No harmful or unpleasant fumes. Softens some surfaces, including some plastics. If unsure of compatibility, test in an inconspicuous area prior to use. Use in homes, schools, detail services, offices, factories, convenience stores, hotels and motels.

WAX BASEBOARD STRIPPER – 12/CS

QC23820

A USDA authorized gel base strong cleaner for quick removal of soil and wax on floors, baseboards, and wall tiles. Thick gel stays where sprayed. White foam shows where applied, eliminating running and guesswork. Upside down valve allows easy application, sprays upside-down only. Excellent in industrial plants, hotels/motels, warehouses, hospitals, schools, offices and institutions. NOTE: Test painted surfaces prior to use.

DUSTMOP TREATMENT – 12/CS

QC22420

A USDA authorized lemon and oil product. Contains oil for magnetic dust pick up and cleans many surfaces including floors, wood paneling and furniture. Quickly saturates a dust mop but evaporates slowly. Also use a dust cloth treatment for small jobs. Leaves surfaces completely free of dust, lint and hair. Restores wood surfaces, and leaves other surfaces shining. Formulated to be used in homes, hotels/motels, industrial plants, hospitals, offices, warehouses and institutions.

HOSPESEPTIC DISINFECTANT & DEODORIZER -12/CS

QC31020

A hospital grade disinfectant and deodorant that kills TB (Tubercule Bacilli), Herpes Simplex Types 1 and 2, Salmonella Chloreasuis, Staphylococcus, and more. Inactivates HIV (AIDS virus) on pre-cleaned Environmental surfaces/objects previously soiled with bloody/body fluids. Contains a blend of powerful phenolic germicides. Controls mildew. Deodorizes areas where foul odors are present. Sanitizes and disinfects telephones, toilet seats, urinals, sinks, showers, refuse cans, and office equipment. For use in medical, dental, and health care facilities, including nursing homes, and veterinary clinics. Recommended for prisons, polices and fire departments, hotels/motels, funeral services and crematoriums, dairy farms, Physicians offices, sports and recreational clubs, beauty shops and food processing plants.

DUST-B-GONE - 12/CS

QC25012

A USDA authorized blend of environmentally safe ingredients packaged at high pressure to quickly remove dust, paper chips, staples, paper clips and other foreign material. Use wherever screen cleaner or body cleaner cannot be applied, especially recessed areas. Can also be used as a film duster. Will not harm Circuitry or electronic components. Safe, nonflammable and noncorrosive to keyboards, cameras, timing Devices, fax machines, copiers and more. Perfect for computer rooms, technicians. Office machines, Laboratories, keyboards, camera shops, industrial plants, homes and offices.

TOTAL RELEASE ODOR ELIMINTATOR (MULBERRY) - 12/CS

QC36308

Unique odor control effective in eliminating all types of malodors including urine, feces, decay, rancidity, Animals, fire, tobacco smoke, cooking and mildew. Neutralizes and destroys odors in up to 6,000 cubic feet of space.

ROACH & ANT SPRAY

QC42920

Roach and Ant Spray is an EPA registered space spray. This solvent-based insecticide is formulated with ETOC for the fastest knockdown possible. Kills a broad spectrum of insects on contact. Also contains esfenvaterate for residual treatment up to seven weeks. Provides total control of crawling and flying insects. Pleasant cherry fragrance. For use by pest control applicators and janitorial maintenance workers to control ants, roaches, carpet beetles, silverfish, mosquitoes, crickets, spiders, waterbugs, scorpions, sowbugs. Fleas and ticks in and around homes, hotels/motels, warehouses, schools, office buildings, industrial plants, restaurants, and retail outlets.

NaceCare

SM1200/1600 SINGLE MOTOR UPRIGHT VACUUMS

The SM 1200 has a 12" cleaning path and the SM1600 has a 16" cleaning path. They are truly commercial upright single motor vacs, which are ideal for the cleaning contractor or end user that has long sought a machine designed for continuous duty applications. High value machines, which will stand up in the commercial environment.

- Quick release 50 foot cord.
- Filters down to 1 micron at 98% efficiency.
- Powerful 7.5 Amp Motor.
- Foot activated brush height adjustment with 6 convenient settings.
- No tools required Belt/Brush access
- Foot pedal handle release with auto start.
- Chevron Brush Design.
- Replaceable Brush Strip.

PRODUCT CODE: NASM1200/SM1600

NaceCare

DM1400/1800 DUAL MOTOR UPRIGHT VACUUMS

NaceCare Solutions new dual motored upright vacuum program incorporates all the necessary features required in a market leading two-motor unit. From its standard HEPA Filter to high RPM Brush—this unit not only removes soil from your carpet, it retains it, ensuring cleaner carpets that last longer and improved indoor air quality.

7 Key Features the make this a superior vacuum

- Dynamic balanced 4300 RPM brush.
- Telescopic wand with stretch hose
- Easy access on board tool set.
- HEPA filter is standard equipment.
- Quick release 50' cord.
- Lightweight Handle.
- Full 1 year warranty.

CARPET CLEANING EQUIPMENT

DUPLEX CARPET WASHERS

The Duplex **DP 340** and **DP 420** are extremely effective carpet cleaning machines. Since little water is used for the cleaning process, carpets dry very quickly and are ready for foot traffic sooner than with other carpet cleaning methods.

PRODUCT CODE: NADP340

PRODUCT CODE: NADP420

SPOTTING EXTRACTORS

The **AV 4X** upright extractor is lightweight, easy to transport and both versatile and efficient.

The **AVB 4X** has all the features of the **AV 4X** and is fitted with a heavy duty cylindrical brush for agitation.

The **GVE 370**, ideal for spotting, upholstery cleaning and vehicle detailing, features a 30 psi pump to inject cleaning solution and a powerful 1.3Hp bypass motor for fast drying times.

CARPET CLEANING EQUIPMENT (continued)

AUTOMATIC CARPET EXTRACTOR

The **AVENGER 18AX** is a self contained automatic that can easily be transported from place to place, site to site, with no special equipment - in a van or even a car. By releasing the hold-down clips and disconnecting the wiring harness the solution tank is separated from the necessary tank resulting in two compact easy to lift components. The drive system features a 3/4 Hp motor and a gearbox with a differential. The compact dimensions, tight turning radius and powerful brush agitation of this unit all combine to make an extremely effective cleaning machine.

QUIET SELF-CONTAINED EXTRACTOR

The **AV 12QX** runs at less than 60 dB(A) so it is great for use in noise sensitive areas such as hospitals, hotels, nursing homes and 24 hour facilities. It has a variable water flow rate and an adjustable vacuum shoe pressure to optimize its efficiency over a range of applications. The machine's ergonomic features include easy access to the removable spraybar, a push-forward design and quick release vacuum shoe for effortless cleaning. The **AV 12QX** is easy to transport as its upper and lower tanks detach into two separate units. Any standard Tempest or Avenger accessory can be used with this extractor.

DRY CANISTER VACUUMS

The **380 SERIES** vacuums are the machine of choice for commercial cleaning. The structural foam tanks are covered by a 10 year warranty. The **NVH** machines have weight saving poly formed heads and storage for the power cord. The **"C"** model even provides storage for the full tool kit. In addition to power, filtration and durability, the **NVQ 382** is fitted with a tough galvanized steel head and offers 2 speeds and superior noise reduction. It runs at 49 dB (A) on high and 47dB(A) on low allowing daytime cleaning even in sensitive areas.

CORD ELECTRIC AUTOSCRUBBERS

Extremely efficient and practical, our cord electric autoscrubbers feature a flip-up head design for easy brush and pad changes, fully adjustable control handles, stainless steel chassis; and superior cleaning power and mobility. The twin recovery tanks on the 345 make emptying dirty water simple and their large capacities ensure great productivity. The circular brush skirts keep cleaning solutions in contact with the brush or pad, maximizing the use of water and chemicals. A full range of brushes is available to suit any cleaning task.

GEL BATTERY AUTOSCRUBBERS

Our battery autoscrubbers have many of the same unique features as our cord electric version, with the added benefit of cordless power. Each machine comes with a 100% gelled electrolyte battery system which means they are spill-proof, sealed and require absolutely no maintenance except recharging. The battery charging system is on-board so that charging can be executed anywhere, anytime. This on-board charging unit also prevents overcharging and over discharging of the batteries, adding to their life. Charge time: 8 hours.

GEL BATTERY AUTOSCRUBBER

With four 12 V batteries and a 26 inch cleaning path the **TTB665/200S** battery autoscrubber has all the same great features as the **TTB 345/100S** and the **TTB 455/100S** in a larger, more productive unit. It's equipped with 100% gel batteries which require no maintenance except recharging, a flip-up head design for easy brush and pad changes, an on-board charging and control system, a stainless steel chassis, superior ease of use and cordless mobility. In addition, the **TTB665/200S** utilizes two separate brush drive motors and features a capacity of 16 gallons, large drain hoses for easy emptying, Instalok pad drivers and a Structofoam brush deck.

COMMERCIAL FLOOR CARE EQUIPMENT *(continued)*

DUPLEX HYDROWASHERS

The Duplex series is unique in its ability to clean virtually any floor surface. Particularly effective on grouted tile and rubberized floors, these machines also clean carpets, hardwood, profiled ceramics and more. Squeeze the trigger to feed cleaning solution onto two counter-rotating brushes that scrub the surface with aggressive action. Twin conveyors lift the dirt-filled solution from the brushes to a central recovery tank. The brushes and the drive unit are offset, so the brushes work right to the edge of the machine and into the most difficult corners. Brush options include two grades of black brushes for regular or aggressive scrubbing, yellow carpet brushes, and brown polishing brushes.

MULTI DECK FLOOR MACHINES

The Multideck range of floor machines are exceptionally versatile and efficient. At the heart of every machine is a power unit with a heavy duty motor using oversized bearings coupled to an oil-filled planetary gearbox. This transmits all the motor power to the brush or pad with a minimum of transmission losses or noise due to absence of metal/metal drive components. The motor, transit wheels, and handle assembly are mounted to a one-piece Structofoam master deck onto which the skirt of choice can be attached. The handle is fully adjustable via a control lever at the operator's position, so height adjustments can be made without having to bend over. Other features include a lock-out device to prevent accidental starting and a main power indicator light. Available accessories include shampoo tanks, scrubbing brushes, silicon carbide long wearing brushes, scrub rings, and extra weights. Sound Level (all units): 55 dB(A).

CYLINDRICAL BRUSH AUTOMATIC SCRUBBER

Our cylindrical brush automatic scrubber is both compact and easy to use. It can be used in very tight spaces and is ideal for cleaning grouted tile. A reliable pump feeds cleaning solution to the brush and a twin squeegee system allows pick-up in forward or reverse. The adjustable handle makes the machine comfortable for any operator. For storage or transport the handle can be folded-over so it takes up a minimal amount of space. The machine is fitted with a Tynex gritted brush. A softer nylon brush is also available.

Servoclean Carts

NCT-5 General Features

- We have incorporated true dirty water separation through twin buckets: wring out the mop and the dirty water flows sideways into the easily removable red bucket.
- Red (dirty) bucket is smaller capacity (4 U.S. Gal/ 16 Litre) and positioned to one side of the wringer.
- Facilitates emptying process with less weight. An ergonomic winner! Step on the pedal and wring out your mop

System Features

- All carts come complete with a removable vinyl bag.
- All carts come with a structural foam base, corner bumpers, removable/washable trays and non-marking ball bearing castors.
- All carts come with a structural foam base, corner bumpers, removable/washable trays and non-marking ball bearing castors.
- A checklist of duties to be done can be mounted under the lid.
- Zippered vinyl waste bag allows for easy waste removal without lifting.
- The bag lid and rear tray fold-up for easy storage.
- The carts come ready to pop up in seconds, no tools required.

ICE MELTING PRODUCTS

PAGE 63

CALCIUM CHLORIDE FLAKES

77-80% Pure. Melts ice to -25°F . Generates melting heat upon contact. 2-5 times faster than Rock Salt. Safe for the environment & concrete.

PRODUCT CODE: IM-SW50B-CCF (50 lb. Bag)

INDUSTRIAL STRENGTH ICE MELTER

Calcium Chloride melting power. Needs fewer applications. Does not track, and is colorless and odorless.

PRODUCT CODE: IM-SW50B-IS (50 lb. Bag)

TRACTION MELT CI ICE & SNOW MELTER

Advanced formula with Corrosion Inhibitor. Each granule is encapsulated by Liquid Magnesium Chloride for fast-acting, environmentally friendly ice control. Corrosion Inhibitor is added to reduce damage to metal surfaces. Ideal for icy situations on the road where additional traction is needed. Safe on concrete & vegetation when used correctly. Effective in cold temperatures; melts ice down to 0°F .

PRODUCT CODE: IM-SW50B-TM (50 lb. Bag)
