## **2025-2026**

**[www.jemchemistrytuition.com](http://www.jemchemistrytuition.com)**

**Tutoring is a two-way  
agreement.**

**By sending your child to their first  
session, it will be deemed that you  
accept the following terms and  
conditions.**

# SESSION PRICING

- All sessions take place via Zoom. Group sessions are priced at £35 per 70 minute session for KS3 and KS4.
- 1:1 sessions are priced at £60 per 60 minute session.

# PAYMENTS

- Sessions are payable one month in advance and an invoice will be sent one week prior to the start of the following month.
- Payment is due by the 1st of the month or 48 hours before the student's first session (if joining part-way through a month). Failure to make a payment on time may mean the student is at risk of losing their place.
- Payments can be made securely using bank transfer or Stripe card payment (please note, using Stripe will occur a small fee).
- One off trial sessions are payable at the normal rate (see above) and must be made at the time of booking. Payments for trial sessions are non-refundable.

# HOLIDAYS

- Sessions take place within the term dates detailed on the last page of this document.
- Sessions take place on bank holidays, unless they fall within a scheduled break. If a student cannot attend a session on a bank holiday, my normal cancellation policy applies.

# CANCELLATIONS & REFUNDS

- Refunds are not given if a student misses a session, however they will have access to all lesson materials and lesson notes.
- In the unlikely event that I have to cancel a session (for example, due to illness), I will endeavour to offer an alternative session. If this is not possible, a refund for that session will be provided.
- Contracts can be cancelled at any time from both sides. I ask where possible, a one month notice period is given.
- I allow one short term cancellation per term (to allow for illness or other unforeseen circumstances). Term dates are detailed on the last page of this document. If taken, this cancellation will be credited to the next month's invoice.

# PROGRESS

- I will work consistently hard to promote positive progress, confidence and independent learning skills. I will use my teaching and examining experience to facilitate increased confidence with exam technique and revision skills. In addition I will tailor learning for students individual needs.
- However, due to external variables beyond my control, I cannot guarantee a grade outcome for any student.
