\$340.00

**Choose one or
both**

STOA & NCFCA Resolutions!

Monument-led camps offer a unique opportunity for hands-on learning. Speech and debate students spend time with other young Christians and learn the steps and techniques that lead to speech and debate success. They also can practice their communication skills in front of peers and coaches and receive feedback.

Camps are designed to be valuable for students who are new to speech and debate as well as those who already have some competition experience. Ages 12 to 18 are welcome and parents can attend for free.
