

The Life of the Church

March 20, 2020

Dear Church Family,

Just a reminder that you have multiple ways of accessing our worship services at 10:30 AM on Sundays.

- **Facebook:** go to www.woodburyumc.net and click on the Facebook icon. No personal Facebook account is required.
- **Instagram:** go to [woodburyumcct](https://www.instagram.com/woodburyumcct).
- **Audio only:** Simply dial the church's conference call number (203-633-3808 -- no PIN required). Please ensure that your phones are placed on mute during the service.

Our worship telecast will actually begin at 10:20 AM. Chris Shay has graciously offered to play an Instrumental Prelude to help us center down and prepare our hearts for worship. He will also play an Instrumental Postlude for those who desire a time of meditation after the service concludes.

There are **2 attachments** to this letter:

- **A manuscript of last Sunday's service.**
- **A worship bulletin for our March 22 service.** I encourage you to download and print it out so you can be an active participant in the service. Note that we're going to attempt a remote congregational hymn!

We will again offer a Fellowship Hour at 11:45 AM on Sunday, utilizing the same conference call phone number. We want to make every effort to stay together while we're apart! Please know that your church family wants to know and respond to your needs.

Grace and peace,

John
