## PLEASE NOTE:

Due to last week's power and Internet outages, no church documents were emailed to the congregation (with the exception of the worship bulletin early on Sunday morning). We apologize for this inconvenience and others you may have experienced in the aftermath of the tropical storm.

We also had technical difficulties with the video/audio recording of last Sunday's worship service on the Green. Major portions of the service were re-recorded later and are posted on the WUMC website.

To provide our technicians more time to edit and post worship service recordings, "premiere" times have been adjusted.

- Video premiere: 4 PM on Sundays
- Audio playback: 6 PM on Sundays

See below for the usual instructions about accessing both media.

## Outdoor Worship

9:30 AM, Woodbury North Green  
(Please note: Sanctuary Backup Site)

**The sanctuary is now serving as our backup place of worship in the event of inclement weather.** The sanctuary has been deep-cleaned and sanitized, and the best possible procedures for ventilation will be implemented. If it is raining on a Sunday morning, please come directly to the sanctuary for the worship service if you are comfortable doing so.

For those who choose not to join us in-person at this time, we fully understand and support your personal caution and care for others. Services (outside or inside) will continue to be recorded and made available on our website at approximately 1 PM on Sunday afternoons.

The options for accessing services electronically remain the same:

- Go to <http://www.woodburyumc.net> and click the link at the top left of the home page. Facebook and Instagram may also be used.
- **Audio only playback:** dial 701-802-5464; enter PIN with hash sign 659965#. Please mute your phones to eliminate background noise.

# Mission & Outreach News

September is one of the WUMC's months to volunteer at the Woodbury Foodbank. While we are still in the midst of a pandemic the food needs of the community have not lessened and in fact with the economic stress caused by the pandemic the need nationally for food support has increased. Volunteers continue to be a vital part of the work of the Food Bank but because of health concerns and state mandated protocols the process has undertaken changes since our last volunteer opportunity in February of this year.

Below is information that I received from Bob Taylor at the Food Bank outlining how things are being handled at this time. Please review the new operating procedures below (including time changes) and let me know if you can volunteer on a Friday or Fridays in September.

"I am sharing the protocols both for staff work and for the client service conditions, which have been and will continue to be conducted during the pandemic exclusively on a home delivery (Thursdays) and pickup service (Fridays and Saturdays) basis. Only our volunteers have access to the food bank interior, and our primary tasks are to receive, cleanse and stock all incoming donations, and to prepare and bag the customized orders for our clients. No client in-store shopping is possible under social distancing and protective protocols and none is anticipated through September at present (I will let you know if conditions change but this appears unlikely given the present course of the pandemic).

As you will note in the protocols, we specifically advise all our good friends to make the judgment first if they would be physically able to volunteer, both in terms of health (of course we ask anyone suffering respiratory or other health issues of any kind please to stay home) and also possible risk during the pandemic (this especially applies to folks in the high-risk category of 60 and over -- I am one of those 60-plus volunteers myself but I know that many, especially those with immunological deficiencies, need to stay on the sidelines for now). Please note too that we ask everyone who volunteers to remain masked throughout their work, to wear gloves during food bank service, and to take other washing and cleansing measures as needed to keep a safe environment. We routinely supply gloves to all who volunteer (I change mine multiple times every shift) as well as masks as needed.

With regards to timeframes for service, the new scenario for Friday client service on a pickup basis means that we must staff two shifts, one from 8:30 am to 11:15 am, and the second from 11:15 am to 2:15 pm on Fridays. I would greatly appreciate if you could advise me in advance regarding availability of help for either of these shifts on the Fridays during September, as we will work these volunteers into the weekly schedules that I now need to prepare for volunteer help. Unlike the previous in-store service that was possible to fulfill with a staff of myself and one or two volunteers, the multiple demands of the "new normal" at the food bank require me to mobilize shifts with three to five volunteers per shift on Fridays, and we will gratefully include our helpers from WUMC on one of our teams to support these volunteer needs during the month of September. At present, we have a particularly great need for help in the later shift from 11:15 am to 2:15 pm on Fridays."

If you are able to help out on any of the Fridays (9/4, 9/11, 9/18, 9/25) please contact me at any of the means listed below and let me know your availability. Thank you.
