## **Children & Youth Ministry News**

Thank you for a successful Rally Day kickoff to the Christian education year last Sunday.

Read Mark 9:30-37 with your family. Jesus says to be first you must be last. What did he mean? The teachings of Jesus are very different from the way most people think today. We live in a world where people want to be first. They want power and influence. They think that adults are more important than children, but in God's Kingdom, the children are just as important as anyone. Aren't you glad they are?

Join us for church school (through grade 8) on the North Green during the service on September 26 for a discussion about salt and saltiness. What did Jesus mean when he said we are the salt of the earth and we needed to stay salty? Come find out!

All children and teens are invited to join us for our first hike of the fall on Sunday, October 10, at 12:15 pm at the entrance to Orenaug Park on Park Rd. We will have a brief object lesson on Mark 9:2-5, On the Mountain Top, and short hike to the Fire Tower. Children younger than sixth grade need to be accompanied by a parent. Permissions will be available at the entrance to the park.

Confirmation class will resume this fall with a kick off meeting for teens, parents and mentors on Sunday, October 24 at 6:30 pm in Fellowship Hall. Please see Meg Temple if you have questions.

# Mission & Outreach Ministry Message

Dear Friends in Christ at the Woodbury UMC,

Just a few weeks ago you were asked to consider supporting the people of Haiti after a devastating earthquake hit the poor island nation and caused a significant loss of life, property and livelihood. And even more recently Hurricane Ida made landfall on the coast of Louisiana and caused loss of life and great property damage all the way up to the northeastern states including Connecticut and the loss of a Connecticut State Trooper right here in Woodbury.

While the needs in Haiti continue and will for some time to come, we are now faced with a need for assistance for individuals in the Gulf Coast and in the tri-state region. This help can be offered now and in the future through the United Methodist Committee on Relief (UMCOR).

One of the great celebrations of being a "connectional church" is that we can proudly proclaim how we are one of the only institutions actively dealing with Afghanistan refugees, a Haitian earthquake, western wildfires, and hurricane relief all at the same time. But, as you can imagine, the United Methodist Committee on Relief has been financially impacted by the magnitude of these events. Your generosity and faithfulness in extra-mile giving to UMCOR enables these life-saving and restorative ministries to continue.

If you would like to make a contribution to support those affected by Hurricane Ida:

**Donations are welcome and should be offered through the United Methodist Committee on Relief, US Disaster Response and Recovery on their website.**

[To make a donation, please go here to give using the Advance #901670](#)

If you would like to continue to support efforts in Haiti please go to **UMCOR, International Disaster Response on their website.**

[To make a donation, please go here to give using the Advance #982450](#)

Let us hold our brothers and sisters here and internationally in our hearts. May God give us open and willing spirits to attend to their needs. Every gift can make a difference.

***God and the Pandemic: A Christian Reflection on the Coronavirus and Its Aftermath* by NT Wright**

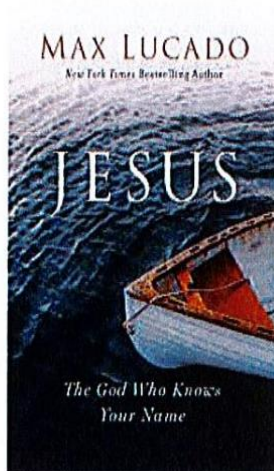

In *God and the Pandemic*, N.T. Wright uses both the Old and New Testaments to help Christians think through their reactions and responses to the pandemic. Offering spiritual guidance during a time of crisis, Wright helps readers reflect on scripture, prayer, and teachings from Jesus' life in order to think differently about disaster and how to react to it.

Gain insight on these questions:

- What should be the Christian response?
- How should we think about God?
- How do we live in the present?
- Why should we lament?
- What should we learn about ourselves?
- How do we recover?

Class will meet Sunday mornings before worship, starting September 19<sup>th</sup>, with details to come.

***Jesus: The God Who Knows Your Name* by Max Lucado**

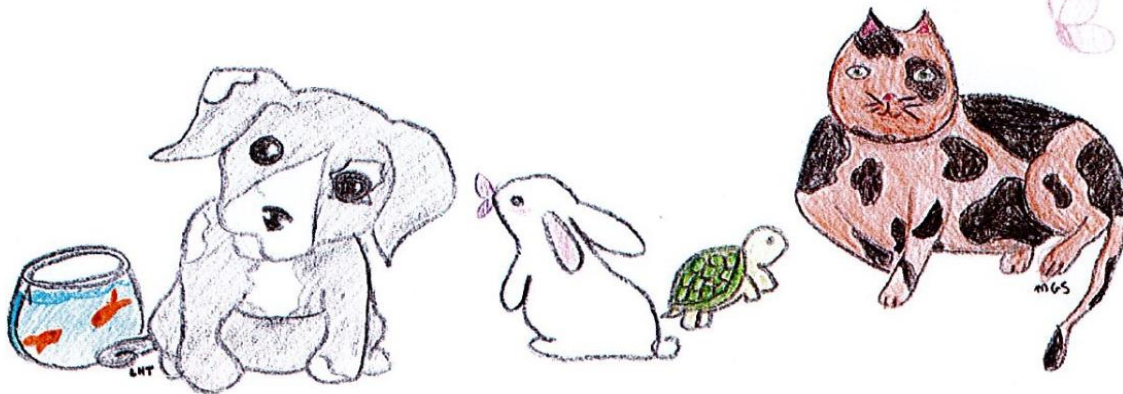

For thirty-three years Jesus felt everything you have ever felt. Weakness. Weariness. Sadness. Rejection. His feet got tired. And his head ached. He was tempted and his strength was tested. And you know why? Because in becoming human, Jesus made it possible for us to see God. His tears, God's tears. His voice, God's voice. Want to know what matters to God? Find out what matters to Jesus. Want to know what in the world God is doing? Ponder the words and life of Jesus.

Class will meet Tuesday evenings, 6:30-8pm, beginning September 21<sup>st</sup>, with details to come.

**Books are readily available in the church office and on line for purchase. Please see Bud Behlman or Pastor Michael with any questions or to confirm your interest in participating in these studies.**
