Worship Schedule

WORSHIP TIME RETURNS TO 10:30 AM

**NOTE: Summer Church Office Hours continue until September 7th
Tuesday thru Thursday 9:00 AM-1:00 PM – Office closed on Monday & Friday**

WEATHER PERMITTING – On Sunday, September 5th we will be set up at the North Green. There is no need to pre-register for outdoor service and members of WUMC may remove their masks for outdoor worship. Services for both September and October are scheduled for the North Green unless otherwise noted so stay tuned to your Messenger each week.

Please Join Us for Livestreamed Worship Events

Livestreaming provides an opportunity for all of us to experience worship at the same time, either at home or in-person. Worshipers at home may join us by video on YouTube or audio-only by telephone broadcast. Video recordings of services will also be available for later viewing. Later phone broadcasts are no longer provided. The options for accessing services electronically remain the same:

- **Video:** Go to <http://www.woodburyumc.net>, scroll to “Sunday Morning Worship in the Sanctuary” and click the link for livestreaming. A link is also provided for archived videos for later viewing.
- **Audio only by phone:** dial 425-436-6391, enter pin with hash sign 2431819#. Note that these numbers have changed from what was previously used. Please mute your phones to eliminate background noise.

Update on COVID and the Recent WUMC Survey

The COVID Response Team (CRT) thanks all members of our church family for taking the time to respond to our recent survey regarding safe worship protocols. We had 32 responses representing 53 members of our church family, which were split about 50/50 between members who are attending worship services in person and those who are joining us virtually online.

Due to the Delta variant driven uptick in COVID cases, we will maintain previously published protocols for indoor and outdoor services. Indoors, all members of the congregation will continue to be required to wear masks. Outdoors, vaccinated members can choose to remove their masks. Social distancing will continue as before. Pre-registration will no longer be required except for special indoor services for which large numbers of attendees are expected. The request for registration for these special services will be made in our weekly e-mail communications.

The CRT has been monitoring closely the recent uptick in COVID cases and hospitalizations in CT, Woodbury, and surrounding communities. As a result, the CRT recommended and the Worship Ministry agreed to begin holding services on the North Green last Sunday and for the remainder of the summer and early fall, weather permitting. In the event of inclement weather, we will conduct services indoors using existing safety protocols. When we return to regular indoor services in the fall, results from our recent survey will be considered, along with the status of the current wave of new cases, in making further changes to our safety protocols.

SAVE THE DATES

Rally Day Sunday is planned for Sunday, September 12, 2021 – more information from our Youth & Education Leaders will be coming very shortly. People of all ages are invited to **bring your backpack** (or whatever you carry for school or work) to church with you on **Sunday, September 12, 2021**.

Everyone will receive a blessing from Pastor Michael plus a special gift as a keepsake for your bag throughout the year. As we begin a new year of school — or return to work after the more relaxed feeling that summer brings — this blessing offers us a fresh start and new energy as we approach the Fall. We begin the school year in prayer, so that those following academic pursuits may experience a blessed and fruitful school year. All are welcome to come up for a blessing!

PS: If you ever thought about inviting a friend to join us for worship, a service that is outdoors and gives them a gift seems a perfect opportunity 😊

Saturday, September 18 — Connecticut Food Bank / Foodshare Walk Against Hunger at 10:00 a.m. to be held at Dunkin Donuts Park in Hartford. We are currently surveying to see which youth are interested in attending. Chaperones (Safe Sanctuary Screened & Approved) will also be needed. Please let Catherine know of interest in participating.

Blessing of the Animals – Sunday, October 10, 2021 will be held from 3:00 – 5:00 PM on the North Green. Many details are being planned for this event and more information will follow very soon.

Laity Sunday - Sunday, October 17– News to come regarding opportunities for youth

UMC Student Day - Sunday, November 28 - News to come regarding opportunities for you & college student participation

Children & Youth Ministry News

Calling all kids and families, the WUMC will be collecting school supplies for the needy through Rally Day, September 12. Please consider picking up extra supplies as you purchase your own. If it is on your supply list, chances are there is someone who needs the same things.

We are collecting school supplies to help Woodbury Food Bank clients with school age children, now through the first weekend in September. Here is a short list of the most commonly needed items for these children at the elementary and middle school levels in Region 14 (Woodbury/Bethlehem):

- No. 2 pencils
- Colored pencils
- Washable markers
- Glue sticks
- Sharpies (primarily fine point and black)
- Pencil boxes
- Composition notebooks
- Crayola crayons
- Highlighters
- One-subject and three-subject notebooks
- One-inch and One and a half-inch three-ring binders
- Lined paper for binders

In addition, high school students often need an expensive specific calculator, the TI 84. We would also like to collect new and used TI 84s to distribute to both high schools for students who cannot afford them.

Calling WUMC Acolytes: In September we will have acolytes again for worship. Parents, if your child previously was an acolyte or would like to become one, and he or she can serve in the fall, please contact Catherine to select dates. It's been a long time, so a refresher and opportunity to practice will be offered. More information to come.

HAITI RELIEF APPEAL from our Mission & Outreach:

Dear Friends in Christ at the Woodbury UMC,

Many of you have likely read, seen or heard about the recent earthquake in Haiti and the rest of the world is gradually learning about the loss of life, property and livelihood this has caused in a nation that was already struggling to support the lives of its people. The New York Annual Conference has just recently sent out an update on conditions there are possible responses at this moment in time. An excerpt from that communication follows. Please keep the people of Haiti in your prayers and consider making a financial offering through the United Methodist Committee on Relief. Information on doing that is listed in the NYAC update.

“The New York Annual Conference (NYAC) has a long history of mission in Haiti and is in contact with leaders and people on the ground.

Our retired Director of Missions, Tom Vencuss—currently a NYAC mission consultant—is in connection with David Draeger, Methodist Church of Haiti (Eglise Methodiste d' Haiti, EMH) mission volunteer coordinator, and others, to offer ongoing insight.

Draeger provided the following update on current conditions and needs:

- The EMH Church at Jérémie has significant cracks and it was not safe to have worship indoors.
- EMH Churches at Annette, Desgagné and Leon have reported damage. The conditions of other churches in the Leon Circuit are unknown.
- Jérémie Guesthouse has damage and while it is unknown whether it is structural or not, the security wall around the guesthouse has failed and is down.
- The John Wesley School appears to be intact with only minor plaster damage. But the condition of other schools in the Jeremie and Leon Circuits are unknown.
- The Good Samaritan Home seems to be intact and the Gebeau Clinic looks intact from the exterior although an internal inspection has not been done.
- The village of Gommier, the Roseaux Commune and the Orphanage of Roseaux are in good condition.
- In *Les Cayes*, many businesses and homes are damaged or destroyed. The Church at Les Cayes is damaged; the manse at Les Cayes seems to be in good condition, but the security wall is down.
- Hospital Lumiere and *the large Catholic Hospital are heavily damaged.*

It is still too early and virtually impossible to send much physical aid. Additional information will follow in the days ahead. The main bridge at Jeremie is closed and awaiting inspection due to unknown damage. The road between Camp Perin and Beaumont is closed by a large landslide. And the road to Les Cayes is impassable making deliveries of aid impossible by land.

Continued financial support will be essential for a very long time. Donations are welcome and should be offered through the United Methodist Committee on Relief, International Disaster Response and Recovery on their website.

[To make a donation, please go here to give using the Advance 982450](#)

A bit of good news from Haiti: Missionary Flights International has announced bridge flights from Port au Prince to Les Cayes. Dr. Moncriket Jose, an experienced emergency room doctor has agreed to come to the Gebeau Clinic for at least three months and a resupply of medications to support the Gebeau Clinic has been pledged.

Let us hold our brother and sisters of Haiti in our hearts. God, please give us open and willing spirits to attend to their needs. Every gift can make a difference.”
