

Ostara Magic

BY GRANI HULDA

Starr Paper Doll

Meet Starr, a paper doll that you can use to enjoy Ostara. The Goddess Ostara, also called Oester is an ancient goddess that represents rebirth, dawn, and a new year.

This doll is intended to be used as an aid to help children learn about the fundamentals of Ostara. Listen to podcasts about Ostara and the pagan traditions of Easter while you color and cut, then use your paper dolls on your altar or hearth.
