To Whom It May Concern,

Pacific Northwest Martial Arts Academy Competition Team is a Non-Profit 501c3 Corporation located in St. Helens Oregon. We are looking for support and sponsors to help out students that would normally not be able to compete as well as help the team with entry and travel fees when required.

Our Primary focus is taking the youth of Columbia County Oregon and building the next leaders of America. They learn that working hard, sacrifice, working as a team member, and being an independent and coachable person will make them a more valuable and happier member of society. We let all of our students create their own path but we work with them to reach their full potential regardless of mental and/or physical status or age.

We are Members of United States Taekwondo (USAT) the governing body for the Olympics and Para Olympics (Club # 8134) and the Amateur Athletic Union (AAU) Club # W33TY7. Both Clubs offer us the ability to compete at States, Nationals, Internationals and at Olympic/Para Olympic events.

Our legacy dates back to the Mid 1960's Under 8th Degree Kukkiwon (World Governing body of Taekwondo) Certified Grandmaster James Wade Lewis, who has been training local Columbia County Oregon students since the early 1970's (Very few Americans have the rank Grandmaster Lewis has). We take our decades of training under Grandmaster Lewis and harness the physical skills of our local athletes to produce National competitors. We strive to install the spark that Grandmaster Lewis lit under us years ago. We want our students to find the passion we have found. It brings us joy and fulfillment when our students walk out of our door as an adult with more confidence, passion, and leader capabilities to help them succeed with whatever path they take in life.

The majority of our family are 4th degree Kukkiwon certified Masters. We now own and operate the school on a day-to-day basis under PNWMAA. We have trained full time in Taekwondo for over a decade as well as worked full time jobs to support our family to obtain our Master status. We are extremely dedicated and passionate about our sport and our students.

We desperately need your funds to continue the 60 years of heritage we have behind us. We are in need of Bronze, Silver, Gold and Platinum level sponsors each school year to raise funds for our competition team. Again, these fees are used to help our students who would normally not be able to as well as others on our team who are competing at State, Regional, and National tournaments.

Bronze level is Up to \$250

Silver level is \$250 - \$500

Gold Level is \$500 - \$1000

Platinum level is \$1000 and above.

All sponsors will be showcased on our website and our social media in the appropriate Level with a picture or logo of your choosing. We appreciate anything and everything you are able to do to help our school.

Respectfully,

Masters Mike and Mary Carlson
