

# DISCOVER SEA & SPACE SCIENCE: BAHAMAS & FLORIDA JUNE 17-24, 2024

Join us for our **Marine Biology Cruise to the Bahamas** followed by a **Space and Sea Turtle Adventure at Melbourne Beach!** As we cruise through the islands of the Bahamas on Royal Caribbean's **Allure of the Seas**, our team of Scientists and Educators lead your kids (ages 8-15) in our hands-on field and science experiences, focusing on ocean science as well as the biology and ecology of the islands you will visit. Once we return to land we explore **Kennedy Space Center**, do some **Sea Turtle Science** and a **Beach Clean-up Project**.

- **Girl Scout Badges** are offered for Girl Scouts joining our trip. 🍀
- Optional cruise excursions include **Thrill Waterpark, stingray encounters, snorkeling and scuba diving** – available for an extra fee.
- Cruise plus Melbourne Beach program starts at \$1249/person
  - \$300/person non-refundable deposit required at time of booking. Additional partial payment of \$700/person due January 27, 2024. Full payment due April 1, 2024. See website for full details.
- **Only want to join us on part of the trip?** Cruise-only and Melbourne Beach-only options are available.
