Girl Scout Internet Safety Pledge*

for All Girl Scouts

- I will not give out personal information such as my address, telephone number(s), parent's or guardians' work address/telephone number(s), and the name and location of my school without the permission of my parent or guardian.
- I will tell an adult right away if I come across or receive any information that makes me feel uncomfortable.
- I will always follow the rules of Internet sites, including those rules that are based on age of use, parental approval and knowledge, and public laws.
- I will never agree to get together with someone I "meet" online without first checking with my parents or guardians. If my parents or guardian agree to a meeting, I will arrange it in a public place and bring a parent or guardian along.
- I will never send a person my picture or anything else without first checking with my parent or guardian.
- I will talk with my parent or guardian so that we can set up rules for going online. We will decide on the time of day that I can be online, the length of time that I can be online, and appropriate areas for me to visit. I will not access other areas or fail to follow these rules without their permission.
- I will follow all of the Girl Scout Terms and Conditions related to Digital Cookie, as well as all Internet safety guidelines related to all other Girl Scout product sales.
- I will practice online etiquette (good manners) at all times when online by:
 - Not spamming others.
 - Not bullying or tolerating bullying (and always telling a trusted adult if I witness bullying).
 - Not using bad language.
- I will be guided by the Girl Scout Promise and Law in all that I do online.
