MISSING

2014 MATH TEAM CHAMPIONSHIP TROPHY
Taken from the trophy case in front of
Northpoint High School's front office.

Missing since 11/4/19

Please contact Detective Rachel Flint with any
Information. (555) 867-5309

Incident Report

Northpoint High School secretary reported a damaged trophy case with blood on glass at 8am on 11/5/19.

White dust was found on the floor near the trophy case.

There was no evidence of unlawful entry into the school.

There was no video surveillance of the area.

School schedule indicated that several evening events took place on 11/4/19 at the school:

Band practice 4-6pm

Football Practice 4-7pm

Math Team Practice 4-6pm

Witness Interview

Witness 1 (wishes to remain anonymous) indicated several students (4 or 5, both male and female) were in the hallway at approximately 6:15pm on the evening of 11/4/19, but they were not near the front office at the time the witness observed them.

The Science Teacher was observed to have white powder all over his clothes earlier in the day from a chemistry experiment they did in class.

Powder Analysis

The white dust left at the scene was collected as evidence, but not yet processed.

Footprint Analysis

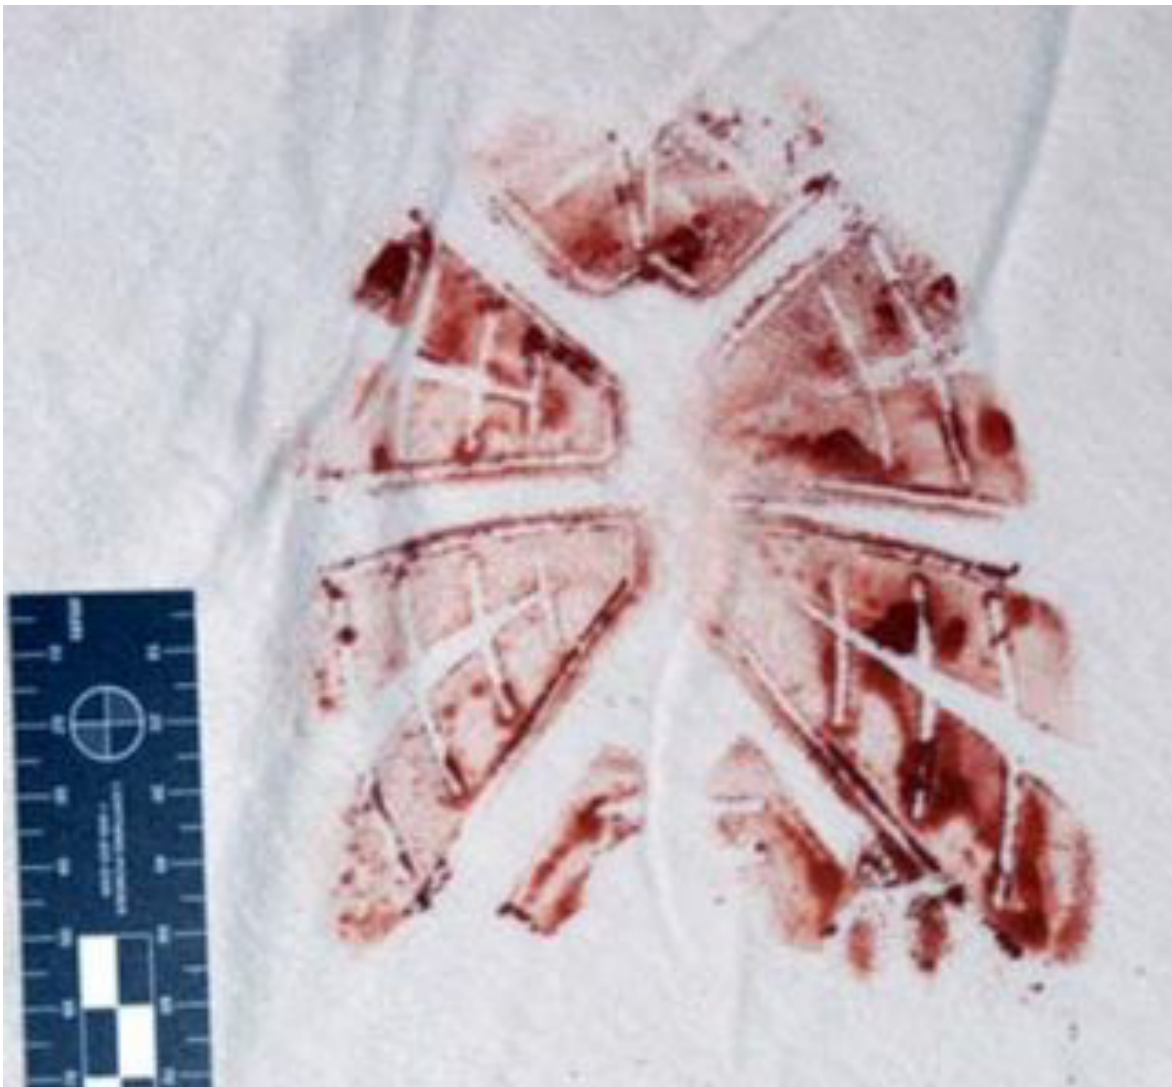

Eight footprints leading away from the trophy case were measured for gait analysis.

The measured gait length was 2.4 feet.

EVIDENCE

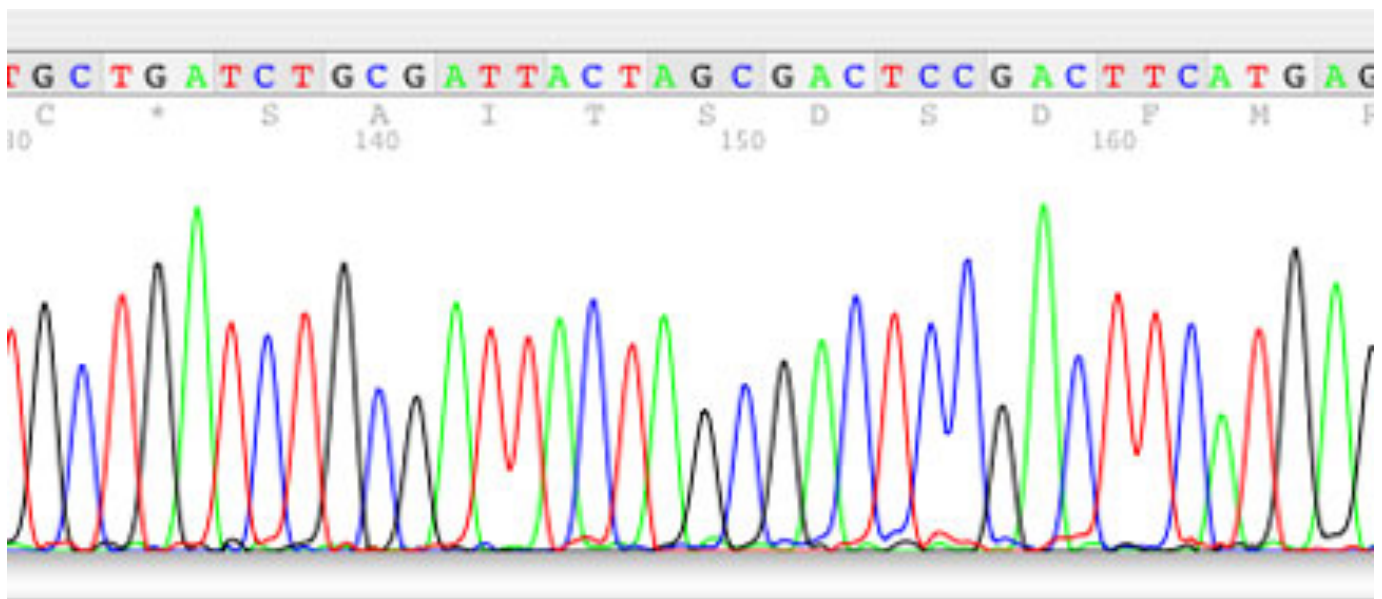

Several bloody footprints were found in front of the trophy case. All footprints were from the same type of shoe, both left and right footprints.

Partial footprint near trophy case:

EVIDENCE

Partial DNA evidence extracted from blood sample on floor in front of trophy case.

EVIDENCE

A fingerprint was recovered from the trophy case.

Trophy Case

George Ram

Elsie Martin

Edward Lewis

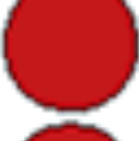

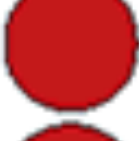

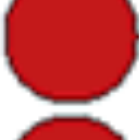

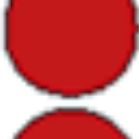

Joseph Sterling

EVIDENCE

Blood sample was collected from the floor
in front of trophy case, and has been
processed.
