

LEGO® MINDSTORM® CHALLENGES (mini course)

Session 1: Thursdays, January 28-March 11 (no class Feb 18; 6 weeks)

Session 2: Thursdays, March 18-April 29 (no class Apr 8; 6 weeks)

10:30am-12:00pm

Ages 8-12

In this student-led robotics lab, students build, program and complete challenges at their own pace. Using Mindstorm® EV3 kits and software, students advance their robot design and programming skills. This course is appropriate for new and experienced Mindstorm® programmers. Each mini-course session will have different Mindstorm® challenges. All lab costs are included in registration fee. Course enrollment is limited to 12 students.
