

LEGO® MINDSTORM® ROBOTICS LAB - Driving Base Mini-Series

Thursdays, January 27 -March 9 (no class February 17 or March 17; 6 weeks)

11:00am-12:15pm

Ages 8-12

In this student-led robotics lab, students build a Mindstorm® Driving Base, program and complete challenges at their own pace. Using Mindstorm® EV3 kits and software, students learn robot design and programming basics. All lab costs are included in registration fee.

Instructor: Tina Oresteen,

Location: Discover Science Center - Peachtree City

Mini-course fee: \$125/session

10% sibling discount

LEGO® MINDSTORM® ROBOTICS LAB – Free Build Mini-Series

Thursdays, March 24 - May 5 (no class April 7; 6 weeks)

11:00am-12:15pm

Ages 8-12

In this student-led robotics lab, students select and build a Mindstorm® robot of their choice, program and complete challenges at their own pace. Using Mindstorm® EV3 kits and software, students learn robot design and programming basics. This hands-on series is open to a limited number of students due to availability of our robot kits, and registration is on a first-come-first-serve basis, so register early! All lab costs are included in registration fee.

Instructor: Tina Oresteen,

Location: Discover Science Center - Peachtree City

Mini-course fee: \$125/session
