MIDDLE SCHOOL MINECRAFT STEAM LAB

Mondays, September 9- December 9 (No class Oct 14, Nov 25; 12 weeks)
11:15am-12:45pm
Ages 11-14

Students code in the immersive experience of Minecraft, together we build villages and vehicles to create their own digital story. Kids practice problem solving skills, communication and teamwork while completing NEW quests and challenges in the world of Minecraft. Full course registration is required due to the project-based nature of this course and students will need to bring a device with keyboard and mouse if possible (we will have a couple to share).

Instructor: Jessica Barnes BSc
Location: STEM Lab (suite 21)
Full Series - $275
10% off sibling discount
