

LEGO® ROBOTICS LAB

Mondays, January 26-May 4 (no class Feb 16, Mar 16, Apr 6; 12 weeks)

9:30am-11:00am

Ages 11-14

Students explore real-world STEM skills as they build LEGO® SPIKE® robots and use block-based coding to bring their creations to life through movement, sensors, and interactive challenges. All lab costs are included in registration fee.

Instructor: Ashley Blocker, BSc

Location: STEM LAB (suite 21)

Course fee: \$275

10% sibling discount
