Please remit a check for \$150 made payable to West Gadsden Historical Society

The historical marker design would be similar to the one pictured below: **(Background is Brown with White Lettering)**

The cost of each marker is \$150.00 and comes with a 12-year warranty against fading and peeling. This cost will cover the production of an aluminum marker/sign, post and concrete, and installation.

West Gadsden Historical Society will install the marker in a location of your choosing that will be visible from the road on your property line. PLEASE NOTE: Markers cannot be installed within the road right-of-way. We will inspect the marker yearly to ensure that it remains in presentation order and will repair, replace or remove the marker if it becomes damaged.
