

Bintelli E2

The super sleek E2 is our newest city bike in the Bintelli fleet! This modern electric bike comes with many standard features, such as an integrated 10AH lithium ion battery, an LED display, and a powerful 350W motor that is capable of reaching speeds up to 20 mph. Every Bintelli e-bike comes equipped with a headlight, taillight, rim reflectors, a water bottle, and a UL-approved charger.
