

## Bintelli Florence

The stylish Florence is one of the best Step-Through E-bikes on the market. This electric bike comes with many standard features, such as a 12.5AH lithium-ion battery, an LCD display, and a powerful 500w motor that is capable of reaching speeds up to 20 mph. For your commuter needs, we've added in a rear rack and industry-leading low step-through frame design. The low step-through design allows easy access for adults of all ages, including seniors. Every Bintelli Electric Bicycle comes equipped with a headlight, taillight, seat post suspension, rim reflectors, and a UL-approved charger.
