

Easy to Green Landscaping presents:

Custom Patio and Porch Container Designs

- **Unique custom designed creations just for you!**
- **Be entertained with seasonal arrangements using your pots or ours**
- **Great plant choices customized to your container and outdoor spaces**
- **Inspirational designs including potting soil, fertilizer, plants, and top dressing**
- **Impactful vignettes can be accomplished with multi container arrangements of different shapes and sizes**
- **Add to the excitement by ordering our “Slipper Pot” subscription that allows you to keep the same pot but just slip in a new arrangement seasonally**
- **Don’t miss this fascinating opportunity to complete your outdoor space with just the right touch!**

Our accredited interior designed Judy will create your container designs. Her experience includes heading a team of seasonal associates in designing and implementing many garden center displays.
