

MAY 2021 | ISSUE 1

The ICGMV Quarterly

Our first quarterly update of what's happening and how you can get involved to increase access to group visits.

Dear Friends of ICGMV,

Welcome to the first issue of the ICGMV Quarterly! With these newsletters, we hope to provide you with quick updates, things to look forward to, and links to get more information all in one place.... because who wants to be bombarded with emails?

Thank you for your support along the way and continuing to promote group medical visits! Now lets see whats in store for 2021.

Be well,
Jeff & Paula

We are open!

THE INTEGRATED CENTER FOR GROUP MEDICAL VISITS

It's official.... ICGMV's group space is OPEN!!!

After a long year of construction, the enhanced group space is ready to make its debut! Whether you attended a training or contributed directly to our capital fund, we greatly appreciate your support as these modifications and upgrades were made possible by you!

Join us on June 2nd to meet the Board of Directors and staff, take a virtual tour, and get a live look into our Home Option or Live Attendance (HOoLA) model in action.

We look forward to sharing this moment with you!

SAVE THE DATE: SEPTEMBER 17TH, 2021

JOIN US AND BE A PART OF OUR FIRST EVER CONFERENCE DEVOTED TO GROUP MEDICAL VISITS!

The Integrated Center for Group Medical Visits is excited to host their FIRST EVER conference devoted to group medical visits! This NEW annual event is for practitioners, scholars, administrators, leading organizations, and experts to come together and share their expertise on all things related to group medical visits!

In light of the changes brought to the medical field, this year's inaugural theme seeks to highlight the power of connection and the future for group visits.

"Together, We Heal!" will explore the resiliency and adaptations of Group Medical Visits in a pandemic world with presentations focused on:

- Field reports from group medical practice
- Innovation in groups
- Reaching special populations using group medical visits
- Research on group medical visits
- Group medical visit logistics

REGISTER TODAY!

Open to all health providers, practitioners, administrators, scholars, organizations, and individuals from a variety of backgrounds, modalities, and specialties! This conference aims to provide valuable information for increasing access to integrative health care through the group medical visit model.

Because you have been one of our greatest supporters...

**ENJOY 50% OFF YOUR
REGISTRATION*!!!**

USE THE CODE: THANKYOU

*Offer applies to general registration tickets (early bird and standard).

INTERESTED IN GETTING INVOLVED?

In addition to the main conference sessions, the conference will include a virtual exhibit hall as well as short, poster presentations.

We are accepting proposals for:

- Main Conference Session - 45 minutes
- Poster Presentations
- Virtual Exhibit Hall Materials

View the official [Call for Proposals](#) to find out more about presenting and sharing materials at their FIRST EVER conference dedicated to group medical visits!

DEADLINE EXTENDED TO JUNE 1, 2021!!!

Check out our [Sponsorship Opportunities](#) to become a key sponsor, such as our Education Sponsor, *The Samueli Foundation*, or join our community circle to help others attend this event!

GIVING TO ICGMV

ICGMV is proud to announce that we are a part of the PayPal Giving Fund program.

PayPal Giving Fund is an IRS registered 501(c)(3) public charity that helps donors support enrolled charities and organizations like ourselves.

By making a donation through PayPal or other online partnered platforms, you will be provided a formal receipt acknowledging your contribution.

Together, with your support, we can reduce loneliness, increase access, support underserved communities, provide group visit programs for all, and ultimately... heal together!

About ICGMV

The Integrated Center for Group Medical Visits (ICGMV) is a nonprofit organization and fully functional group medical visit practice based out of Lawrence, Massachusetts. The Center envisions a world where all people have access to evidence based, integrated primary care. In support of this vision, ICGMV is dedicated to providing quality education, training, and support for clinical professionals at all levels to successfully implement and facilitate group medical visit programs.
