33	An effective leader sees their team as individuals, each with their own unique strengths and weaknesses. They think thoughts like, <i>what help/ tools does Jose need to improve? Or what does the older worker, Bob, need to overcome his bluntness? Or how to help Betty, who is quiet, but a natural born leader?</i>	What with small “w” <u>does</u> belong. Consistent with other 3 questions here. Changed to small “w” and italicized all 3 questions for clarity.
