April 2016

### ABOUT RICHER PRESS

RICHER Press contracts with the Ingram Book Company for professional Print-On-Demand (POD) services. The Ingram Book Company is the largest book printing and distribution company in the world. We also have Print Book Distribution Agreements as a medium-size publisher for both the United States (serving North & South America) and the United Kingdom (serving Europe, Asia & Africa). Because of this special relationship, all the RICHER Press print book titles are automatically included in the Ingram Global Print Book Distribution Network. This relationship enables all RICHER Press titles to be sold through all the major wholesale distribution channels, including Barnes and Noble, Amazon.com, Baker & Taylor and many others. All RICHER Press books are accessible to over 180,000 bookstores, libraries and retail outlets.

### AUTHOR SHARE OF DISTRIBUTION FEE

As of 2016, RICHER Press has been sharing a portion of the cost of distribution among RICHER Press Authors with under-performing titles. Under-performing titles are those that do not sell at least 25 books total via the combination of all RICHER Press distribution channels, Print & eBook, annually. The dollar-a-week RICHER Annual Distribution Fee of \$52.00 is due on January 31st of each year. If you choose to reduce your Author Book Sales and Royalty reporting from “monthly” to only “twice a year” (June and December), your Fee will be reduced to \$30.00.

### REMOVAL OF AN ACTIVE BOOK TITLE

The removal of a RICHER Press title from active status due to the author’s desire to RETIRE the title or the failure of the author to make the Annual Distribution Fee (when applicable) will result in the following:

- **Immediate cancellation of the RICHER Publishing Agreement.**
- **Immediate cancellation of all global book distribution (Print and eBook).**
- **Immediate termination of all marketing and sales activity.**
- **No further availability for wholesale book purchases of printed copies from RICHER Press.**
- **RICHER Press will inform all bookstores, libraries and online wholesalers as well as the official *Books in Publication* Records that the RICHER Press published version of the title is “out of publication” and is no longer available for wholesaler or retailer orders.**
- **Termination of the use of the assigned International Standard Book Number (ISBN).**
- **All files associated with the publication will be deleted.**
- **All actions are irreversible.**
