

## STEAMBOAT SPRINGS RESIDENT KEITH KRAMER RELEASES LONG-AWAITED NEW BOOK

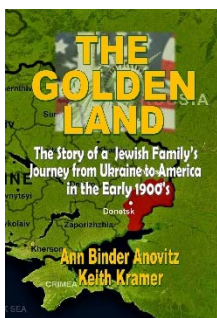

**SAVANNAH, GEORGIA, June 6, 2022** — Today RICHER Press announced the global release date for the Paperback Edition of the long-awaited new book by authors, **Ann Binder Anovitz** and her son-in-law, **Keith Kramer**.

The paperback version of *THE GOLDEN LAND: The Story of a Jewish Family's Journey from Ukraine to America in the Early 1900's* will be globally released on July 18, 2022. The Amazon Kindle eBook Edition was released on June 2, 2022, and is available online in the Amazon Kindle store.

The book's authors, Ann Binder Anovitz and Keith Kramer started collaborating on the writing of the manuscript in the mid-1990's. Prior to this time, the story's protagonist and Ann's father, Beryl Bernie Binder, was still alive and contributed an amazing level of background and detail regarding his family's journey from the Ukraine area of Russia to America. Within its 350 pages, *THE GOLDEN LAND* entertainingly recounts a saga that could be the story of the many immigrants who have come to America from other countries of the world, looking for the freedom to live their own way and to make something of themselves.

**To download and review a copy of the book, watch a brief overview video, and request a Media Interview with the book's author Keith Kramer, go the book's landing page at:**

### ABOUT THE BOOK

BEFORE HE PASSED, Ann Binder Anovitz's father, Beryl, would often sit down with his grandchildren and tell them stories. The stories included details and adventures of his life growing up with his grandfather, Yankel Wolfe Aynbinder, in a ghetto village in the town of Horchov, in the state of Volhynia, in the area of Russia known as the Ukraine. According to Ann, "With the help of my son-in-law writer, Keith Kramer, what started as a simple task became a years-long research project and writing effort". Of course, their tireless and relentless effort resulted in the initial manuscript for *THE GOLDEN LAND*.

IN THIS UNIQUE AND FASCINATING MEMOIR, Ann and Keith not only include specific details and entertaining stories about Beryl Bernie Binder's journey to America from Ukraine in the 1920's, but also provide insights into the daily lives of the Jewish people living in the Russian territories of Europe during the time. From surviving frequent war and societal discrimination to maintaining the strong determination required to eventually make the long journey to America, *THE GOLDEN LAND* is a story packed with engaging dialogue, cultural richness, family adventures and daily suspense. The photos included in the back of the book reflect a family life in America worthy of the travel risk, the personal commitment and the opportunities connected with such a journey.

**Top review from the United States**

Avid Reader

★★★★★ **A Perfect Book for the Current Times**

Verified Purchase

This is such an interesting and unique memoir. The author not only includes specific details and entertaining stories about her father's journey to America from Ukraine in the 1920's, but also provides a glance into the daily lives of her Jewish ancestors living in the Russian territories of Europe during the time. From surviving war and the discrimination of the Jewish people, to maintaining the determination required to get to the United States and finding a better life...the story's adventures, the cultural insights, and the astute personalities kept me up all night reading a book full of intrigue. With what's going on around the world today, it was also a good history lesson. It is truly a perfect book for the current times

**Ann Anovitz Binder** (1935-2019) was a skillful writer, caring community volunteer and successful commercial real estate executive. In addition to the novel *Charlie's Tale*, she authored "Grandma Annie's Stories From the Garden," an innovative series of children's books offering a unique educational reading experience for both English- and Spanish-speaking children. Ms. Anovitz and her late husband Robert were residents of Highland Park, IL and Tucson, AZ, and had three children. Their daughter Stacey is married to Keith Kramer, co-author of *The Golden Land*.

**Keith Kramer** is a professional writer and editor with vast experience in journalism, publishing, marketing and technical communication. He resides in Steamboat Springs, Colorado and was founding editor of the town's first and only daily newspaper, the *Steamboat Today*. He has authored articles for numerous publications over the years, ranging from *The New York Times* to *Ski Magazine*. Mr. Kramer and his wife, Stacey Kramer, were married in 1984 and have two children. Ms. Kramer is the daughter of the late Ann Binder Anovitz, co-author of *The Golden Land*. Mr. Kramer's collaboration with Ms. Anovitz on *The Golden Land* dates back to the mid-1990s.
