MAVERICK ULTRA™

Residential Grade Aluminum Fence

Maverick Ultra residential grade aluminum fencing offers a classic look of a narrow picket. This grade of aluminum fencing offers a great look and durability for residential pools, backyards and as a decorative perimeter fence. Maverick Ultra aluminum fencing is finished with super durable AAMA 2604 architectural grade powder coat and is warranted against rust, peel, chip, or crack, as long as you own your fence.

Iron World Fencing

Iron World Fencing is a family owned and operated business established in 2006 in Howard County, Maryland. Today, Iron World Manufacturing has grown into an industry leader in manufacturing ornamental steel and aluminum fence systems, gates and polyester coated pipe. Iron World is proud and grateful to have over 100 dedicated employees that take pride in manufacturing quality American made products.

Iron World Manufacturing is one of the fastest growing manufactures of Ornamental Fencing in the Country. With pride we stand behind and offer warranties on all of our products. Our world class fence systems, gates and polyester coated pipe meet the highest standards of quality, durability and functionality. All of the products we offer are manufactured in the U.S.A. and offer beauty, strength and security.

Our mission is to provide superior products and service to all of our Residential, Commercial and Industrial customers at a competitive price. Iron World Manufacturing strives to be at the forefront of ornamental fence manufacturing and powder coating technology. Our commitment to customer service is never sacrificed as we treat each and every customer as a valued partner.

IRON SHIELD

Process

Iron World powder coats all pickets, channels and posts loose rather than assembled to ensure 100 percent powder coating coverage of all parts.

We package all panels, posts, and gates on skids with vinyl clips in between each panel to ensure no scratching. Then we wrap and heat shrink it to ensure your product gets to you damage free.

Lifetime Limited Warranty

Iron World Mfg. warrants to the original owner that all of our products will be free of manufacturing and material defects. Our powder coating finish on our aluminum fences will not peel, crack, chip, or blister for as long as you own the fence.

This warranty does not cover damages caused by improper use, application, or installation; abuse; alterations; negligence; vandalism; or acts of God. The warranty also does not extend to the normal weathering, slight discoloration, or chalking caused by prolonged exposure to the elements, mildew, or air pollution. There is no other express warranty except that stated herein.

This lifetime warranty is intended to cover original owners only and is not transferable. The original owner is covered by the warranty for as long as he owns and resides in the property on which the product was first installed. In the event of commercial or otherwise non-residential use, Iron World limits this product warranty to 20 years with a starting date of the original day of installation.

In case of a warranty claim, the owner must provide Iron World a written notice specifying the nature of the defect, along with proof of purchase, within 20 days of the failure. Iron World reserves the right to inspect the material in question to determine the validity of the claim. Defective material must be shipped to Iron World's facility for inspection freight pre-paid. If the product fails to conform to this warranty, Iron World will replace or repair the defective material at its discretion. Iron World shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product.

The above constitutes the complete limited lifetime warranty by Iron World and no other agreement, written or implied, is valid. No person is authorized to change or modify this warranty. Recoveries for consequential or incidental damages are hereby excluded.
