Opening Prayer

*God of the Prophets, we come to you as balls of clay. We are made in your image and yet struggle to follow your Way. Forgive us our foolishness of following false idols. Remind us anew the purpose for which you crafted us. Form us with your loving hands. Prepare our voices to speak your holy Word. Even if our voices shake, we know that your Word is life-sustaining grace. Fill us up this day, that we may be poured out for your people. Amen.*
