## *Order of Worship*

Ringling of the Bell & Welcome

Threshold Moment *Fly*

Opening Litany

Leader: The world needs to change, and we are the change makers! The work of change making is going to take a while.

*People: We are called to be change makers for our whole lives!*

Leader: And this work is going to take all of us. If we want to keep change going, we need to be inviting others, joining with others, witnessing to others, and empowering others to do this work with us. For many of us, this is the hardest part of making change,

*People: but we are ready to be bold.*

Leader: We come to worship this morning, eager to be a part of this movement and to bring others along in our work. We come to worship this morning, trusting that God will empower us. We are the change makers and we are ready!

*People: Thanks be to God!*
