

February 3rd 2019

Dear Potential donor ~

I am writing to you on behalf of Western State Deaf Campers (WSDC) coming to Coeur d'Alene, Idaho. WSDC travels every year in the Pacific Northwest. We are excited to announce that "campers" as far as Florida will be visiting our area. We are expecting approximately 500 campers at this event.

The Campers will be "camping at Blackwell RV Park on June 23rd – July 1st". The actual event will take place at North Idaho Fair all week. This event is bringing the deaf community all over the USA to social and of course visits our beautiful state.

Here is what you can help with? We are seeking items for prizes. It can be outdoor items for camping, traveling, for their home, gift certificates, so many more! We will accept anything you wish to donate so they can take back a part of CDA as well as Idaho.

Thank you for considering our request. If you have any questions or need further information, please feel free to contact me. We do ein # if you wish to use it as a tax write off. Please request it if you want.

Sincerely

Annette Baer
