

GFWC BOOSTERS CLUB

2020-2022 Administration

The GFWC Boosters Club is a national GFWC club whose members are husbands, partners, or male relatives who share the commitment to assist GFWC with their national/local projects and goals.

The Boosters hold one meeting at the GFWC Annual Convention to elect officers and conduct business. In addition there is a variety of activities including golf, tours, ballgames, sightseeing, and the Booster lounge at the hotel, where fellowship abounds.

In addition to the annual convention, there are regional conferences which the Boosters attend and support.

The Boosters dues provide monies to support and maintain GFWC Headquarters building maintenance.

So, as you load the car for her trips to convention and region meetings, pack a bag and maybe your golf clubs and join us. You'll be glad you did. Hope to see you there!

Current dues are \$50.00 for 2020 -2022 two year administration. Meals, tours, etc. at meetings are additional.

IT'S EASY TO JOIN!
