SPEAK SEX & EVE UP

This podcast is sexy, fascinating,
provocative, and habit-forming!

It's a welcome cis-
gendered alternative to
white male radio

& good old guys' gal hosting. Eve
on a rant is fearless genius!

Speak Sex with Eve Eurydice

A PODCAST WITH A REAL MISSION

Eve Eurydice wants to change the way we think about sex and hack our millennia of social conditioning to expand our pleasure process capacity by Speaking Sex!

CRITICS SAY ABOUT EVE EURYDICE:

Spin magazine

Eurydice wrote the definitive novel on female sexuality.

The Village Voice

Eurydice empathetically and nonjudgmental conveys us through different worlds, compulsions, and choices, illuminating the spectrum of human extremity.' --William T. Vollmann

Eurydice is just the most authoritative and compelling writer of sex in the English language.

An erudite and astute tour-guide into the far frontiers of stare-of-the-art American sexuality.' Francine Prose

IT'S WONDERFUL TO SEE A WOMAN (EURYDICE) NOT INTERIORIZING MALE FEAR OF HER, ESPECIALLY HER BODY, BUT RATHER CONFRONTING THAT FEAR, FIGHTING IT, AND CELEBRATING HER BODY AND HER SEXUALITY BY CREATING A FABULOUS AND FUNNY TALE.' — KATHY ACKER

Washington Post

THE LINE BETWEEN 'NORMAL' AND 'ABNORMAL' ISN'T BLURRED, IT'S OBLITERATED. PRIMARILY, EURYDICE MANAGES THIS BY PROVIDING HISTORICAL CONTEXTS FOR SEEMINGLY ANOMALOUS SEXUAL ACTS.' --WASHINGTON POST

Eurydice elicits sweet nuggets of truth from her interview subjects, exposing the most private, transgressive behaviors. Their delicious confessions not only illuminate the human psyche, they also offer prurient thrills. Her voice delivers unexpected erotic jolts, waves of repulsion, and glimpses of the human sexual soul.' ---Village Voice Literary Supplement

Eurydice is genuinely passionate and her thoughts on the sensual nature of faith are strong and beautiful.' --Mary Gaitskill

Eurydice does dig up unquestionably fascinating subjects. The book is worth reading—you'll feel contentedly average afterward.' —Joel Stein

AUDIENCES TRUST EVE EURYDICE

for her cultural sophistication, her international experience and recognition, her honesty and humanism.

EVE SPEAKS SEX

The podcast is the perfect medium to share healing conversations on sexual trauma, consent, coercion, recovery, self-discovery and transformation.
