In-Person & Online Courses

Engreco Healthcare Academy

At Engreco Healthcare, we offer a comprehensive range of hands-on dental and maxillofacial prosthetics courses, delivered *in-person* at our specialist education centre in Leighton Buzzard, UK, and through flexible *online* learning.

Led by award-winning maxillofacial prosthetists, our CPD-accredited training is designed for clinicians, dental technicians, maxillofacial and dental professionals, and students seeking advanced skills in maxillofacial prosthetics and dental technology.

Explore our current courses below and discover a unique blend of science, artistry, and innovation in prosthetic rehabilitation.
