

JDY JUNGDAYUL

Trust that is for my Family meal

We always strive to create wholesome food, keeping in mind that it's what our own family eats. Today and every day, we are committed to sincerity and quality.

Product
Development

Brand (IP)
Launch

Online and
Offline Distribution

Overseas
Export

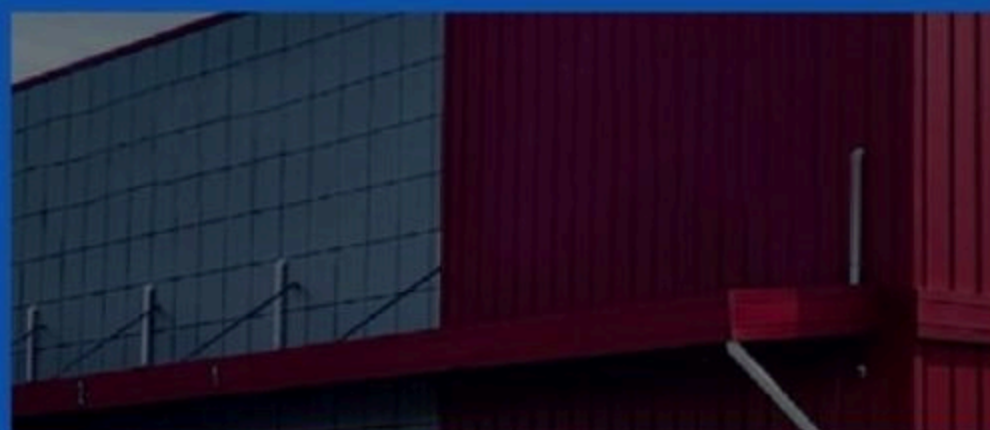

School/Military
Catering

Jung Dayul Global develops new products that are not distributed domestically and manages their distribution through brand (IP) in both online and offline markets within Korea. Additionally, we handle B2B distribution to schools, military bases, and franchises. We also operate exports to international markets, including the United States and Southeast Asia.
