

# Business Automation Pros

AUTOMATION PROS

SIMPLIFYING THE DIGITAL TRANSFORMATION,  
ONE HEALTHCARE PROVIDER AT A TIME.

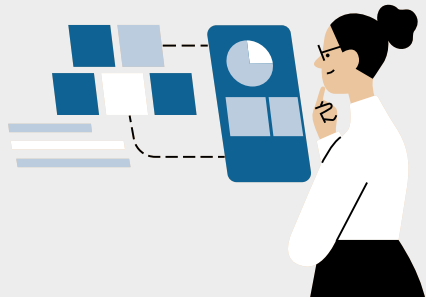

## Step 1

Take our Digital Healthcare Questionnaire! Less than 10 questions, takes less than 10 minutes.

## Step 2

Schedule a follow up meeting to review questionnaire, qualify your needs, and relationship fit.

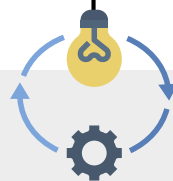

## Step 3

Our team will customize a tailored solution and demo the proof of concept to your administrators and decision makers.

## Step 4

Together we implement the proven solution and train your staff on how it works and their roles.

## Step 5

Role out tailored solution with hand held support for issues and to support growth.

## SIMPLIFIED DIGITAL HEALTHCARE

### Before

- Long patient wait times.
- Costly paper documents.
- Inefficient high labor cost.
- Redundant manual processes.
- No way to monitor employee productivity.
- Too many systems with little guidance and support.

### After

- Shorter patient wait times.
- Electronic, easy to use new patient applications and documents.
- Efficient, compliant, automated processes and employees.
- Tools in place to measure employee productivity.
- Systems and a partnership designed to sustain growth.
