Full Section Wooden Rack

Quick Access Guides Work for Your Business!

- * The Booklets are placed on 'Optimum' fixture high volume locations on Outside Distribution Fixtures and Inside on Large Beautiful Wooden Racks where space is limited. The Quick Access Guides give added exposure for your media materials which increase the number of sites you are distributed to, and the volume of visitors to be able to see your media first hand!
- * Visitors ask front desk staff questions over and over about watersports, kids fun adventures, shopping and restaurants ... the staff hand the Quick Access Guide to the visitor ... which saves time for the staff and gives the visitor more valuable choices for the area. Greater chance for your product and services to be seen!
- * Check-in Staff love it for insert packets for incoming guests ... saves space, time and gives valuable extra information to the guests.
- * Concierge Information Desks are able to distribute the booklets, they love it!
- * Official Welcome Center and Showroom Centers use the Quick Access Guides to increase the available advertising options.
- * Quick Access Guides can be used as 'Pitch Books' for area promotional companies, ie; Resort Companies, Harbourwalk Areas, Destin Commons Kiosks, Baytowne/Sandestin Info Centers, Okaloosa Fishing Pier and Angler's Restaurant and More!
- * Counter Drops; Condo Complexes; Small Lobby Areas; Restaurant Entryways, Adventure areas ... the number of possibilities are endless ... All over Coastal Vacation areas including Hotels, Shopping and Boat Docks. The advantages are endless!
