

2023 Enrollment Lottery for Weekly Camps for children ages 5-8

We will be using a lottery-style enrollment system again this season. A submitted application is not a guarantee for placement in summer camp. However, an application is the first step for enrollment.

Lottery applications will be accepted from February 6-17. An online application must be submitted for Farm Camp enrollment lottery. A separate application must be completed for each camper. Once submitted, an application cannot be edited. You can only submit one application per camper. No deposit is due with the lottery application. When chosen by the lottery, all siblings that have applied will be placed on the same weekly roster (unless preferred dates are noted differently on their application).

Email notifications will be sent to lottery applicants by February 22. Campers chosen by lottery will receive additional information to complete their registration. If not selected by the lottery, families will be placed on our waiting list and will be notified if space becomes available. We do our very best to get as many families in our summer camp program as possible.

Campers selected by the lottery must confirm or cancel their placement in camp by **March 8**.

Unless another payment plan is arranged, payment is due at time of registration. You can make payment online via PayPal or check can be mailed to **2126 Risser Mill Road, Mount Joy, PA 17552**.

Additional Information: Be sure to indicate all sessions that you are available on your application. We will try to enroll campers in their first-choice session. If that session is full, we will move on the second-choice session, etc.

Depending on the number of applications, a camper might only be able to attend 1 session during 2023. Please indicate on the application if you would like to enter the lottery for placement in a second week if space permits. Once all the camp sessions are full, any remaining applicants will be placed on the waitlist. We will continue to use a lottery-style process for those awaiting availability.

We encourage families to submit applications after enrollment deadline has past, as sometimes space becomes available due to changes in summer plans.

Camp Sessions:

July 31 & August 1 (2-day session)

August 2 & 3 (2-day session)

August 4 (single day session)

These sessions are full day camps from 9 am - 3 pm. There will not be any before or aftercare program offered for this age group.
