

## **2024 Enrollment Lottery for weekly camps for children ages 5-9**

We will be using a lottery-style enrollment system again this season. A submitted application is not a guarantee for placement in summer camp. However, an application is the first step for enrollment.

**Lottery applications will be accepted from January 6-20.** An online application must be submitted for Farm Camp enrollment lottery. A separate application must be submitted for each camper. Once submitted, an application cannot be edited. You can only submit one application for each camper. No deposit is due with the lottery application. When chosen by lottery, all siblings that have applied will be placed on the same weekly roster (unless preferred dates are noted differently on their application).

Email notification will be sent to lottery applicants by **January 23**. Campers chosen by lottery will receive additional information to complete their registration. If not selected by the lottery, families will be notified and placed on the waiting list. They will be notified if space becomes available for their preferred dates.

**WE DO OUR VERY BEST TO GET AS MANY FAMILIES IN OUR SUMMER CAMP PROGRAM AS POSSIBLE.**

Campers selected by the lottery must confirm or kindly notify us of their decline by **February 10**.

Unless another payment plan is arranged, payment for 2-day and 3-day sessions are due at time of registration. For 5-day sessions, a \$75 deposit is due at time of registration and the remaining balance is due by **June 1**. If paying remaining balances by PayPal, we ask you to add \$5/week to cover the fees.

You can make payment online at time of registration or you can send a check to 2126 Risser Mill Road, Mount Joy, PA 17552.

**Additional information:** Be sure to indicate all sessions that are available on your application. We will try to enroll campers in their first-choice session. If that session is full, we will move on the second-choice session, etc.

Depending upon the number of applications, a camper might only be able to attend 1 session during 2024. Please indicate on the application if you would like to enter the lottery for placement in a second session if space permits. Once all the camp sessions are full, any remaining applicants will be placed on the waiting list.

**We encourage families to submit applications after lottery application deadline has past, as sometimes space becomes available due to changes to summer plans.**
