GTX³ Pour N Forget

SAFE, EFFECTIVE AND MONEY SAVING

TREATMENT FOR

GREASE TRAPS/INTERCEPTORS • DRAIN LINES • SEPTIC SYSTEMS

MONEY SAVING SUPERIOR RESULTS WITH THE POWER OF THREE

The managing of Greasy Waste must be done *Efficiently and Effectively*. Anything less can, and usually does, cause *costly grease trap/interceptor pump outs* and *clogged drains* which then result in *noxious odors* and *backups*.

GTX³ Pour N Forget is a unique, liquid, all-natural plant extract that is environmentally friendly and safe. There are no toxic chemicals, cultured bacteria or enzymes in this product. **GTX³ Pour N Forget** will not harm hard services, pipes and is non-corrosive.

At the heart of its success is creating a favorable water condition, which dramatically increases the working ability of the existing microorganisms. **GTX³ Pour N Forget** is a mega-concentrate that **REDUCES ODORS, BACKUPS and COSTLY PUMP OUTS**. **GTX³ Pour N Forget** is incredibly effective at significantly reducing *Fats, Oil, & Grease* accumulation, keeping the discharge within local sewer authority limits.

For commercial application, **GTX³ Pour N Forget's** program offers a unique, high quality and accurate dosing dispenser for precise measuring and accurate dosing times.

Enviro-Tech offers a complete "turn-key" program which includes:

- Professional installation
- A guarantee on all dosing equipment for the length of the program
- Regular service checks for dosing calibration and product levels
- Complete change out of existing product
- 24 hour emergency service
- **NO HIDDEN FEES**
