# "SOCK" IT 2'EM

**ODOR COUNTERACTANT**

Our industrial strength **SOCK IT 2'EM** deodorizer holds a powerful and effective concentrated odor neutralizer.

Each **SOCK IT 2'EM** will provide deodorization for 30 to 45 days. It is specially designed to neutralize odors in sewers, elevator shafts, dumpster areas, garbage collection areas, industrial plants, water treatment facilities or anywhere that strong undesirable odors are present.

- Unique cloth mesh bag for even distribution of odor counteractant
- Convenient mounting loops
- Air-Controlled Odor Counteractant

## DIRECTIONS

Hang **SOCK IT 2'EM** upright from the looped end of the sock to a centralized location nearest the odor source. Due to the concentration some dripping may occur, so **DO NOT** hang over painted surfaces or decorative floors.

**SOCK IT 2'EM** will last up to 45 days depending on airflow.

**SOCK IT 2'EM** will help provide a suitable and safer working area.
