

2025 Board of Directors Community Improvement Survey

The 2025 Board of Directors is requesting your input on projects and amenities you would like to see built or improved over the next 3-5 years. Your feedback helps us prioritize investments that bring the greatest value to our neighborhood.

Projects Identified for Completion in Calendar Year 2026

1. Add water features to the new/large pool to help direct debris toward skimmers
2. Paint/replace fascia and trim around the pavilion
3. Pressure wash concrete under the pavilion and around the old/small pool
4. Repair/replace the window in the men's restroom
5. Add one or two lights at the shallow end of the new large pool to improve visibility in that area
