HOW TO GET

Congratulations...you now have the opportunity to compete in the exciting NEVADA INTERNATIONAL PRINCE & PRINCESS PAGEANT with cash, gifts and prizes being awarded' By obtaining outside sponsors you should be able to enter this pageant at little or no cost to you or your family. Here are some ideas that have been used successfully by pageant contestants all over the country:

First, spread the word about this great opportunity. Call relatives and friends. Post a notice on your Facebook Page. Contact business associates. Grandparents, Aunts, Uncles, Godparents can all contact their friends and business associates. Imagine the number of people, small businesses, doctors, dentists and beauty salons that all of these people patronize all year. They are all potential sponsors.

For example: All of the small businesses that depend on your family's patronage like the family orthodontist, lawyer, auto mechanic, dry cleaner, insurance agent, florist' local restaurant, gymnastic, dance & nursery schools, laundromat, funeral home, building contractor' banker or broker. Numerous people and businesses that your family has supported over the years. It is easier to get sponsorship from smaller, individually owned businesses. Large chain stores usually need corporate approval, which requires a lot of red tape and takes weeks before approval.

It is always best to go in person to ask for sponsorship. Businesses that know you, and know that you and your family patronize them, will hardly be able to refuse your request for sponsorship.

Explain that this is an established pageant that has been in business for over 30 years. You don't have to ask for a large amount, you can ask for just a $25 sponsorship. Have them make checks payable to: PARIS PAGEANT PRODUCTIONS. This way they know that the money is going directly to the advertising. List their name on your sponsor page and if your sponsor is a business this is a "tax deductible advertising expense"

Remember, you do not need to have a sponsor. You can sponsor yourself. And please remember, no one under 18 should go out to solicit sponsors without an adult.
