❖ Fairness
❖ Data-driven
❖ Representative
❖ Respect
❖ Healthy
On-going or Immediate

- Insist on a seat at the table during the study of water supply alternatives for the state facilities (DBHDS, etc.); keep area legislators informed of the process – Town Manager and Town Council
- Continue development of the GIS to include mapping water lines, streets, and sidewalks (Hurt & Proffitt) – Town Manager
- Start a conversation with the Nottoway County Schools about the Town taking ownership of the old school site – Town Manager
- Conduct initial performance evaluation of Town Manager; provide feedback and set goals for the coming year – Town Council
- Take steps to improve the relationship with the VDOT Residency Office – Town Manager and Town Council
- Continue current code enforcement efforts to address issues of safety and health, high grass, and derelict vehicles – Town Manager
- Select a firm to assist with review and amendment of the Comprehensive Plan – Town Manager with Council approval

For the FY 2022 Budget

- Develop a Capital Improvement Plan (CIP) – Town Manager proposal; Town Council adoption
- Propose a staffing plan to address needs and projects – Town Manager
- Create a plan for code enforcement and advise Council of needed resources – Town Manager
- Establish solid waste services and the community center as cost centers – Town Manager proposal; Town Council adoption
- Consider increases in solid waste and sewer fees to cover expenses – Town Manager proposal

Within Three to Six Months

- Review and amend the Town Code to better reflect the Council/Manager form of government with a “weak” mayor – Town Manager, Town Attorney, and Town Council
- Establish a policy and process for the annual evaluation of Town staff by May 2021 – Town Manager; adoption by Town Council
By the End of Calendar Year 2021

- Adopt Human Resources policies and procedures, to include a grievance procedure and possibly a compensation philosophy – Town Manager draft; Town Council adoption
- Adopt financial management policies – Town Council
- Adopt a purchasing policy – Town Manager draft; Town Council adoption

Longer Term or Indeterminate

- Conduct performance review with Town Manager to include progress toward achieving goals set in 2021 – January 2022, Town Council
- Adopt a new Comprehensive Plan – September 2022, Town Council
- Develop a maintenance and replacement plan for Town capital and infrastructure assets – beyond FY 2022, Town Manager
- Consider enforcement of the property maintenance code as the economy recovers after the pandemic – Town Council
- Establish criteria for accepting donations of derelict property
- Consider the establishment of a rental inspection program – FY 2023, Town Manager and Town Council
- Clarify the role of the Industrial Development Authority (IDA)
- Promote small businesses and support and enhanced independent grocer
- Schedule another planning session to review progress and establish future goals and priorities – January 2022

Adopted by Town Council on February 8, 2021
