The Town of Crewe is committed to transparency and public access and takes its obligations under the Virginia Freedom of Information Act seriously. It has come to the Town's attention that there is a concern that the July 19, 2021 Special Meeting of the Personnel Committee did not have adequate public notice. The Town apologizes for not providing greater advanced notice of that Special Meeting as required by the Act. The Town will work hard to ensure that reasonable notice is provided of all public meetings in the future.
