Newsletter November 2025

A Night Filled with Glee

As the night sky was set free,
With a sparkle and spree,
The fireworks in flight,
In the cool, crisp night,
Filled our hearts with pure glee.

The Dance of Light

In the dark, a sudden sight,
A dance of colors, oh so bright!
With each firework's flight,
In the chill of the night,
Our faces lit up with delight.

1. Trafalgar Night Dinner

Forty-six of us sat down to the Trafalgar Night Dinner on October 19th. As ever, comradeship was high, food was excellent and the Silver Tones Swing band brilliant. There were not as many people there as we would have liked but that didn't stop the fun.

2. Remembrance Day

The BOCDC has not organised its own service but everybody is recommended to attend the joint British Legion/American Legion service that will be held at the American Legion, 111 The Plains Road, Middleburg VA 20117.

Date 9 November

Time: 1000-1045 Assembly

1045 Service

1200 End

3. Christmas Supper

My own plans for December have a great deal of uncertainty but once things firm up I will try to organise a simple no-host supper.

Peter Pennington

President BOCDC
