Immediate past President: Peter Pennington (RN, retired)

Monday June 22, 2026

Dear Members:

This is the Sumer 2026 BOCWASH newsletter.

This past Saturday we celebrated the Battle of Waterloo at a Luncheon at Vaso's in Old Town Alexandria. I must say we had a jolly good turn-out, including some potential recruits. We were treated to a learned and witty disquisition on the Battle as well as the eponymous Railway Station by our outgoing President, Peter Pennigton, with traditional barracking by yours truly.

The next important event will be the BOCWASH Trafalgar Night Dinner, which will be held on Saturday October 31, 2026 at the Fairfax Country Club starting at 1800.

Rig will be black tie, finery, mess uniforms and decorations will be worn. Period costume touches welcome.

There will be a band and dancing after dinner.

Importantly we shall be dining Peter out as he will have moved to the Carolinas by then and will be very much missed, but he is organizing the event and will be present.

Please let me know if you would like to have a Luncheon for the Yule season, perhaps on Boxing Day ?

Your Obedient Servant:

David Warburton, President
