It was one of the greatest sea battles in British History and gave birth to a legend. Off the coast of Spain's Cape Trafalgar Peninsula, the British Fleet, led by Lord Horatio Nelson, took on a combined French and Spanish force to determine who would be the master of the waves. England's very existence was at stake for France's Napoleon Bonaparte was poised to send his powerful army across the English Channel to conquer the island. The only obstacle standing in his way was the British fleet.
