

## LIVESTOCK HEALTH & COMPLIANCE

### ANIMAL HEALTH REQUIREMENTS

A completed WSF Health Form, signed by an accredited veterinarian, listing each individual animal's identification, must accompany all livestock exhibiting at the Wyoming State Fair. The Health Form must be signed by an accredited veterinarian within 30 days of entry to the Wyoming State Fairgrounds.

- For youth livestock exhibitors, the WSF health form must be turned in before unloading livestock.
- For open livestock exhibitors, please turn in your health form to the species superintendent upon arrival on the fairgrounds and before unloading.
- All livestock entering the grounds may be subject to inspection by WSF veterinarian(s) upon entry and throughout the fair.
- Animals with active ringworm, lesions, or warts easily visible without close examination are not permitted to exhibit.
- Any animal showing evidence of infectious, contagious, or communicable disease may be immediately removed from the grounds and held in isolation until further testing is completed or released to the owner's premises.
- The 2025 Health Form is provided on the following page.

### BRAND INSPECTION REQUIREMENTS

A brand inspection is required on all cattle, horses, mules, and sheep moving intrastate across a county line prior to entry. A brand inspection is also required on all cattle, horses, mules, and sheep leaving the Wyoming State Fair and Rodeo moving intrastate across a county line or interstate leaving the State of Wyoming. Documents need to be presented for inspection at time of animal health check-in. More information on brand inspection law is available at the Wyoming Livestock Board website: <https://wlsb.state.wy.us/public/brand-inspection>

### OUT-OF-STATE ANIMALS

All animals entering Wyoming for the fair must comply with both the import requirements of the Wyoming Livestock Board and the specific regulations of the Wyoming State Fair. Detailed information is available at: <https://wlsb.state.wy.us/public/brand-inspection>
