structure 4.5"

Inside Dimensions  
LxW - 42.5"x42.5"  
Height - 83.75"

## MICRO FOOD BANK

Each Pod will require Electrical hook up

# COMMUNITY PANTRY PODS

Feed Scarborough will be putting 4 PODs in areas of Scarborough that have a higher unhoused population to increase access to good healthy food. In addition, a large POD will act as a food bank offering groceries for people in need.

**A** Community Food Pantry is a small outdoor pantry that community members can put food in and others can take food out discreetly, when needed.
