March Meatball Madness

When: March 9, 2024 Saturday

Time: 6:30pm

Where: The Club

Please join us for a fun filled night as we celebrate the staple of Italian cuisine, the meatball! We have three volunteers that will be making meatballs and we will be providing pasta, salad, bread and dessert. We will then vote on the best meatball!! The volunteers will be awarded a culinary prize to thank them for their hard work. Each meatball will be served in a bowl representing the colors of the Italian flag, one green, one red and one white, along with the menu above. This is a BYOB event.

Please RSVP by March 1st, which will give each Chef enough time to shop and to make the delicious meatballs. We should have enough room for 48 guests, everyone is welcome, individuals or couples!
